Founded in 1894, Tyndale is strategically positioned in Toronto, Ontario.

Mission Statement

Tyndale University College & Seminary is dedicated

- to the pursuit of truth,
- to excellence in teaching, learning and research,
- for the enriching of mind, heart and character,
- to serve the church and the world,
- for the glory of God.

The Tyndale Crest

The centrepiece of the crest for Tyndale University College & Seminary is a lantern, symbolic of Psalm 119:105, which reads: “Your word is a lamp to my feet and a light for my path.” Below the lantern is the Greek motto *douloi Christou* (“servants of Christ”), declaring the vision of the school for all students, faculty, staff and alumni to serve the church and the world for the glory of God.

Statement of Faith

Tyndale University College & Seminary is a Christian institution of higher education standing in the Protestant Evangelical tradition. With all Christians East and West, North and South, we affirm the historic Apostles' and Nicene creeds, and we affirm our spiritual kinship with all who seek to exalt and serve the Lord Jesus Christ.

We are also rooted in the Protestant Reformation with its conviction concerning the Lordship of Jesus Christ and the normative authority of Scripture. In the tradition of the Evangelical awakenings, we proclaim the message of a personal faith in the crucified Christ and a transformed life through the Spirit. Born out of the world missionary movement of the 19th century, we continue to serve the global church in all its cultural diversity. We embrace the biblical call to seek justice and peace and to serve the poor, the vulnerable and the oppressed.

The following Statement of Faith reflects our own specific theological identity within that worldwide church.

We believe that:

- There is but one true and living God who exists eternally in three persons: the Father, the Son, and the Holy Spirit. God alone is Creator, Preserver and Governor of all things visible and invisible, at work in the world to redeem creation.
- The eternal Son of God, incarnate in Jesus of Nazareth, was conceived by the Holy Spirit and born of the Virgin Mary. He declared God's Kingdom and embodied that reign in His acts. Having rendered a life of perfect human obedience to the Father, He died on the cross as a vicarious and victorious atonement for sin. In His atoning death and bodily resurrection, Christ opened the way of rescue from sin and death, reconciling the world to God. Exalted as Lord, He continues to intercede on behalf of His people.
- The Bible, both Old and New Testaments together, is Holy Scripture. It is the authoritative written Word of God, inspired by the Holy Spirit, inerrant in all that it teaches, the one entirely trustworthy rule for faith and life. The teachings of Holy Scripture are apprehended through the careful study of the text in all its dimensions, together with prayerful theological reflection, under the guidance of God's Spirit.
- Human beings alone, both male and female, are created in the image of God. All people are made to enjoy relationship with God, with one another, and with the good creation of which we are stewards. Humankind's sinful disobedience has incurred God's just judgment, bringing sin, guilt, depravity and misery upon all humanity.
- God in mercy and grace redeems all who repent of their sin and trust Jesus Christ alone for their salvation, justifying them through faith in the Saviour, restoring their relationship with Him, giving them new life by the Holy Spirit, and empowering them for discipleship.
- The one holy, catholic and apostolic church occurs in local communities of believers all over the world. The Church is the Body of Christ, the People of God, and the Fellowship of the Spirit, sent into the world to glorify Jesus Christ and to bear witness to God's dawning Kingdom in word and deed.

- On a day that has been appointed, Jesus Christ will appear again as judge to raise the righteous unto eternal blessing and the unrighteous unto eternal separation from God. He will consummate His kingdom of peace, and His redeemed will enjoy everlasting life, reigning with Christ in the new heavens and the new earth.

History

Tyndale has been training Christian leaders for over 125 years, with its original mission to provide Christian higher education in service of the church remaining constant. Tyndale University College & Seminary is proud to continue the tradition of decades of service embodied in its institutional lineage, including: Toronto Bible Training School, Toronto Bible College, London Bible Institute/London College of Bible and Missions, Ontario Bible College/Ontario Theological Seminary and Tyndale College & Seminary.

Founded in 1894, Toronto Bible Training School was the third of its kind to be established in North America and the first in Canada. Under the leadership of Dr. Elmore Harris, then minister of the historic Walmer Road Baptist Church, Toronto Bible College (TBC) came into being. London College of Bible and Missions (LCBM) began in 1935 as London Bible Institute, led by Dr. J. Wilmot Mahood. After the merger of TBC and LCBM in 1968, it was renamed Ontario Bible College (OBC). In 1976, OBC moved to north Toronto and established a graduate school, Ontario Theological Seminary (OTS – now Tyndale Seminary). With over 900 students, Tyndale Seminary is now Canada's largest seminary.

The name Tyndale College & Seminary was adopted in 1998 as part of a renewed vision to build a world-class centre of Christian higher education. William Tyndale, an early English reformer, was a scholar and student of the Scriptures with a passion for the Christian faith and a willingness to serve God. His commitment to making the Scriptures available to all persons led him to undertake the first English translation of the Bible at the cost of his own life. He is a model for scholarship, Christian faith and vision, not only for students but for the entire Tyndale community.

On June 26, 2003, the Ontario Legislature passed a bill that authorized a further change of the name of the institution to Tyndale University College & Seminary. The bill also authorizes Tyndale to offer the Bachelor of Arts and Bachelor of Arts (Honours) degrees in the humanities, the social sciences and business. With this authority, Tyndale University College & Seminary continues its tradition as a place of scholarship and training for those who wish to be salt and light in the world.

In 2007, Tyndale received approval from the Ontario Ministry of Training, Colleges and Universities and the Ontario College of Teachers to offer a Bachelor of Education program to prepare teachers for primary, junior and intermediate grades. Graduates of the program are eligible for a Certificate of Qualification from the Ontario College of Teachers.

In 2007, Tyndale negotiated the purchase of the 56-acre Morrow Park property on Bayview Avenue from the Sisters of St. Joseph of Toronto. Tyndale took possession of the property on April 1, 2013 and began full and complete operations on the new campus in 2015.

Statement on Academic Freedom

As an evangelical Protestant community of learning, our affirmation of academic freedom is within the context of our orthodox theological heritage and vision of life. The Faculty and the Board of Governors of Tyndale University College & Seminary have endorsed our “Statement on Academic Freedom” and consider it to be in harmony with Universities Canada’s “Statement on Academic Freedom”, which is quoted in part here:

What is academic freedom?

Academic freedom is the freedom to teach and conduct research in an academic environment. Academic freedom is fundamental to the mandate of universities to pursue truth, educate students and disseminate knowledge and understanding.

In teaching, academic freedom is fundamental to the protection of the rights of the teacher to teach and of the student to learn. In research and scholarship, it is critical to advancing knowledge. Academic freedom includes the right to freely communicate knowledge and the results of research and scholarship.

Unlike the broader concept of freedom of speech, academic freedom must be based on institutional integrity, rigorous standards for enquiry and institutional autonomy, which allows universities to set their research and educational priorities.

The responsibilities of academic freedom

Evidence and truth are the guiding principles for universities and the community of scholars that make up their faculty and students. Thus, academic freedom must be based on reasoned discourse, rigorous extensive research and scholarship, and peer review.

Academic freedom is constrained by the professional standards of the relevant discipline and the responsibility of the institution to organize its academic mission. The insistence on professional standards speaks to the rigor of the enquiry and not to its outcome.

The constraint of institutional requirements recognizes simply that the academic mission, like other work, has to be organized according to institutional needs. This includes the institution's responsibility to select and appoint faculty and staff, to admit and discipline students, to establish and control curriculum, to make organizational arrangements for the conduct of academic work, to certify completion of a program and to grant degrees.

Universities Canada Statement on Academic Freedom, 2011

Tyndale's Statement on Academic Freedom

At Tyndale, the institution as a whole, its individual faculty members and its students have the right to academic freedom, understood to consist in the free and responsible investigation of issues and ideas and the expression of conclusions and beliefs, in discussion or publications, without interference.

Academic freedom is always experienced within a context of standards or norms. Tyndale University College & Seminary affirms the freedom of the academic community both to define its core theological convictions and to maintain its institutional commitments, which guide the pursuit of its mission. At the same time, Tyndale affirms an individual faculty member's freedom to express, in their writing, teaching and activities, personal beliefs and academic positions. While individual faculty members are free to develop and change their views on theological and academic matters, the unique task of the institution requires that the position of faculty members not be at variance with the core theological convictions of the community as set forth in the Statement of Faith and in the Community Standards Statement.

Affirmations of Academic Freedom

In light of this understanding of academic freedom, Tyndale University College & Seminary affirms the following statements:

- Faculty members are entitled to freedom in research and in the publication of the results within their fields of academic competence.
- Faculty members are entitled to freedom in the classroom to address matters within the general subject area implied by the course title and description. Faculty members are not free to use the classroom as a means of promoting causes unrelated to the subject matter of the course at hand.
- Faculty members are free as individuals and as citizens to speak and write about matters whether or not the matters are directly related to their field of academic competence. Although Tyndale University College & Seminary will not limit individual expression in any respect, faculty members should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should avoid the impression that they are speaking on behalf of Tyndale University College & Seminary.

- Faculty members have the freedom to explore theological understandings which stand in an uncertain relationship to Tyndale’s Statement of Faith and/or to the Community Standards Statement, but each member must realize that the institution as a whole, has the task of interpreting the Statement of Faith.
- Students are not required to subscribe to the views of Tyndale and are free to learn and to take reasoned exception to the theological positions or academic views offered in the Tyndale community. In their public expressions, students and student organizations should make clear that they speak only for themselves.
- Faculty members are responsible for safeguarding the academic freedom of their students to learn by encouraging free inquiry into controversial issues, presenting alternative viewpoints, refraining from undue influence of the process of learning, taking dissenting student opinion seriously and offering a forum for discussion.
- Students shall not be penalized merely for holding a reasoned viewpoint on a particular issue that varies from the position of Tyndale or of a faculty member.

Procedures Related to Academic Freedom

1. If any individual believes that a faculty member has separated from the theological community at Tyndale advocating a position clearly at variance from the Statement of Faith and/or the Community Standards Statement, the individual should first approach the faculty member directly and privately for clarification.
2. If this attempt is not successful, the individual should bring evidence, beyond rumour or hearsay, to the Academic Dean. Allegations accusing violation of the Statement of Faith or Community Standards Statement or professional standards shall be reviewed only after evidence is submitted.
3. Allegations about a faculty member referred to an administrator, even if substantiated, without first confronting the individual with the allegations, shall be viewed as a serious breach of ethics and a violation of the policy on academic freedom.
4. Retractions or modification of utterances by faculty members are not required nor expected on the basis of a complaint received against them.

Divergent Viewpoints

- Tyndale affirms the central tenets of historic Christian orthodoxy. This faith, expressed in the Scriptures, creeds of the early church, and confessions of the Protestant Reformation tradition, is reflected in the Statement of Faith. Tyndale holds these truths to be of primary importance.
- There are other matters of faith and practice which Tyndale considers secondary. These relate to matters on which the biblical witness does not appear conclusive, or on which Christians have not reached a clear consensus. Tyndale affirms the need to study, pray and work together for greater understanding of such matters.

- Tyndale seeks to avoid a stance in which secondary matters are given absolute importance, by which transdenominational cooperation is subjected to strain and mutual acceptance is precluded by sectarian narrowness.
- While emphasizing the primary truths shared by all who affirm historic Christian orthodoxy, Tyndale recognizes the right of congregations and denominations to develop and teach their own distinctiveness. Tyndale seeks to assist students to relate positively to their heritage and to work enthusiastically in the affiliations to which God calls them.
- Faculty members are also expected to affirm the convictions of their own tradition while at the same time being respectful of other traditions.
- Tyndale University College & Seminary affirms that all members of its academic community have an obligation to give fair consideration to the various beliefs and to show due sensitivity to divergent understandings. Faculty and students are expected to deal with one another with respect. No one should pressure persons or impose tenets on others, but every encouragement is given to exercise responsible freedom to discuss such matters.

About Tyndale Seminary

Introduction

Tyndale Seminary, a division of Tyndale University College & Seminary, is a transdenominational, evangelical Christian community offering graduate theological education aimed at equipping God's people for faithful and effective ministry in the church and in the world.

Tyndale Seminary is Canada's largest seminary and is located in the multicultural urban context of Canada's largest city, Toronto, Ontario. It is heir to more than a century's commitment to Christian theological education with a view to the global mission of the church. Accredited by the Association of Theological Schools in the United States and Canada (ATS), the Seminary's programs are grounded in a commitment to academic excellence, spiritual and character formation, and the development of skills for Christian leadership and service in its various forms. Our faculty and students come from a rich diversity of denominational and ethnocultural backgrounds.

The mission of Tyndale Seminary is to provide Christ-centred graduate theological education for leaders in the church and society whose lives are marked by intellectual maturity, spiritual vigour and moral integrity, and whose witness will faithfully engage culture with the gospel.

A primary purpose is to develop leaders for the Christian church within both the Canadian and global contexts. Through our educational programs, the school endeavours to renew the church and to strengthen its mission to the world by providing students with the biblical and theological foundations, personal and professional development and ministry skills needed for leadership in the 21st century.

Theological Identity

Tyndale is a transdenominational, evangelical community of faith and learning. We stress the historic Christian faith of the gospel as expressed in the creeds of the early church, the affirmations of the Protestant Reformation and the emphases of noted evangelical awakenings. Tyndale's Statement of Faith reflects the truths we consider of primary importance.

There are other matters of faith and practice that we consider as secondary. These relate to matters on which the biblical data does not appear conclusive or on which Christians have not reached a clear consensus. Thus, while affirming primary truths shared by evangelicals, we recognize the right of congregations and denominations to develop and teach their own distinctives. We help students relate positively to their heritage and to work wholeheartedly in the affiliations to which God calls them. We are committed to demonstrating, through a fair consideration of various perspectives and with due sensitivity, how Christians should deal with divergent understandings. Every encouragement is given to exercise responsible freedom and to discuss such matters in keeping with Scripture and the guidance of the Spirit.

Theological Education

Missional Perspective

At Tyndale Seminary, theological education is grounded in a missional understanding of the church. We view the church as the people of God, gathered, reconciled, equipped and sent by God into the world, to provide witness to the gospel in the power of the Spirit. Thus, we understand ministry as the obedient and faithful use of gifts on the part of the whole people of God. We see Christian scholarship, spiritual formation and the practice of ministry as having a common focus in being properly oriented toward the expression of the gospel for and in the world. Our approach to theological education provides the context within which we pursue the integration of our theological task in these three areas:

1. ***Christian scholarship***, which aims to provide grounding in the Christian tradition of biblical, theological and historical reflection, engender confidence in the gospel, foster spiritual vitality and animate creative and faithful ministry.
2. ***Spiritual formation***, the continuing response to the reality of God's grace that shapes us into the likeness of Jesus Christ, through the work of the Holy Spirit, and in the community of faith for the sake of the world.
3. ***Preparation for the practice of ministry*** in its varied forms that is shaped by biblical-theological convictions, operating with sound theological reflection and expressed through the lives of people being shaped by the gospel.

Community Life

A key component of our educational mission is the community life of the Seminary. In an effort to overcome the individualism and fragmentation that characterizes contemporary culture, the Seminary worships regularly as a community, structures itself for small group interaction and pastoral care, plans regular social and academic events on campus, engages in retreats and encourages an atmosphere of openness, caring and sensitivity toward one another.

Canadian Perspective

While acknowledging the global character of the church, Tyndale Seminary is particularly concerned about the Canadian context of Christian faith and ministry. In developing faculty, we

have formed a body of strong Canadian scholars. We also invite Christian scholars and leaders from across Canada and the world to the campus for conferences, lectures and special courses.

Urban-Intercultural Perspective

Toronto is the largest city in Canada and considered one of the most multicultural cities in the world. Our community reflects the cosmopolitan nature of Toronto, with students from over 50 ethnic and cultural backgrounds. The Seminary is committed to equipping students with the intercultural competencies needed for ministry and service in the urban Canadian context and around the world.

Faculty

Our faculty members are central to fulfilling the Seminary's mission and its commitment to Christian scholarship, spiritual formation and preparation for varied forms of ministry. The faculty reflect the diversity of the student body and includes men and women of many different denominations and ethnic backgrounds. Our visiting faculty come from around the globe to teach on a short-term basis.

Fundamental to any faculty appointment are the qualities of academic competence, teaching effectiveness and spiritual maturity. The normative educational requirement for faculty is an earned doctorate. Seminary faculty are engaged in ministry to the wider Christian and academic communities through their writing, lecturing, preaching, consulting, advising and providing visionary leadership in a wide variety of associations. The Seminary encourages its faculty to think strategically, to act creatively, and to look for new possibilities to extend our educational mission beyond the confines of the institution.

Statement on Women and Men in Ministry

Tyndale Seminary affirms that both men and women are created in the image of God, that they are equally recipients of the redemptive grace of God and that the Spirit of God is conferred upon men and women alike. All academic programs at Tyndale Seminary are open to women and men.

The Seminary further recognizes that both men and women sense a divine calling to professional ministry. Because the Seminary is not a church, nor does it represent a single denomination, it does not ordain or make the decision of whom shall be ordained. Students come to us from a variety of churches and denominations, some that ordain women and some that do not.

Within the evangelical tradition of Christianity, differences of opinion exist regarding the roles of men and women. Discussions of such topics shall be conducted openly and sensitively. All persons shall be honoured and their principled convictions recognized. We value reasoned dialogue on these issues, which should be guided by Scripture, our supreme authority in matters of faith and practice.

While respecting divergent viewpoints and ecclesiastical traditions on the issue of the role of women within the church's organizational structures, the faculty of Tyndale Seminary are fully committed to supporting women who sense God's calling into the full scope of ministry responsibilities, including the ordained ministries of the church.

Flexible Course Scheduling

Tyndale Seminary provides flexible scheduling and delivery formats for those who are combining their studies with employment, ministry and family commitments. In addition to a full range of semester-long, daytime classes, courses are also held in the evenings, on weekends, in summer, and in intensive formats. A wide range of courses may be completed online or in virtual livestream format. The Master of Theological Studies degree and the Graduate Diploma in Christian Studies may be completed fully online.

Admission Information and Procedures

General Admission Standards for All Applicants

Tyndale Seminary welcomes applicants with Christian commitment who desire to further their studies and gain new levels of academic, professional and ministerial expertise within a vibrant community of faith and learning.

As a graduate theological school, Tyndale Seminary admits students who have completed a baccalaureate degree from an accredited university or college. In exceptional circumstances, mature students without an accredited baccalaureate degree may be considered for admission if the Admissions Committee is satisfied that their educational background and life experience have prepared them for theological study at the graduate level. Applicants are advised that a strong background in the humanities and social sciences is advantageous.

Those accepted for study at Tyndale Seminary are expected to enter heartily into community life of the Seminary, to cooperate with other students in the self-government of the student body and cultivate a sympathetic understanding of Tyndale's denominational and ethnic diversity.

Applicants wishing to apply to Tyndale Seminary must meet the following requirements.

	Degree Required	Grade Point Average Required
Graduate Diploma, MTS, MDiv	Bachelor's degree or equivalent	67% or "C+", or 2.3 on 4.0 scale
ThM	MDiv/MTS or equivalent	77% or "B+", or 3.3 on a 4.0 scale in Bible, Theology and Church History courses
DMin	Master of Divinity or equivalent	73% or "B", or 3.0 on a 4.0 scale plus three years of ministry experience after the first graduate degree

In some circumstances, the Admissions Committee may consider applicants who do not meet the minimum Grade Point Average (GPA) requirement for admission on probation if there is evidence of potential to engage and succeed in graduate theological education.

Please note that meeting these minimum requirements does not guarantee admission.

Admission Standards for International Applicants (United States and outside North America)

Applicants from outside Canada must meet the admission requirements listed above in addition to the following:

- **Tuition and Fees:** International students must be enrolled as full-time students throughout the entire program (9 to 15 credit hours or 3 to 5 courses in both the fall and winter semesters). As required by Immigration, Refugees and Citizenship Canada (IRCC), the applicant must give satisfactory evidence of sufficient financial resources to meet the current standards of IRCC when applying for the study permit. For Doctor of Ministry (DMin) students, see DMin Handbook for program and fee structure.
- **Medical Insurance:** The Ontario government does not provide medical coverage for international students or their families. All students will automatically be enrolled in Tyndale's health insurance plan provided by GuardMe International Insurance. Health insurance is mandatory for all international students and their families. Current pricing may be obtained from the Admissions Office. Please remember these costs when you are calculating your living expenses for your studies in Canada, as these are not optional. In order to have insurance coverage for your flight and once you arrive in Canada, you must email registration@tyndale.ca at least one week prior to departure. For DMin students only, proof of travel insurance during residency must be provided to the Office of the Registrar.
- **Study Permit:** All international applicants are required to provide proof to the Tyndale Admissions Office that they have received a Study Permit from Immigration, Refugees and Citizenship Canada (IRCC) prior to registration. Please refer to the IRCC website for detailed information: www.canada.ca/en/immigration-refugees-citizenship.html.
- **Medical Form:** International applicants are required to submit a completed medical form available from the Admissions Office or online at: tyndale.ca/student-life/medical-form. This form does not need to be completed by a doctor.
- **Application Fee:** International applicants are required to submit a non-refundable application fee of \$150.

Admission on Probation

Any student admitted with less than the required Grade Point Average (GPA) in their previous degree will automatically be placed on probation. Students entering on "special admission" status without an accredited bachelor's degree will automatically be placed on probation.

Visiting Students

A visiting student can enrol in a limited number of courses at Tyndale Seminary. There are three types of visiting students: **Occasional Students, Post-Graduate Certification Students** and **Letter of Permission Students**.

These categories are not available to applicants in the following situations:

1. Applicants who do not have an undergraduate degree.
2. International students (an exception may be made for those who only wish to enrol in online courses while remaining in their home country).
3. Students who do not meet Tyndale's English language requirements.

Occasional Students

1. An Occasional Student is one who has already completed a baccalaureate degree and wishes to take graduate-level course work before formally applying to a Tyndale Seminary degree program. Occasional Students may normally complete five courses for credit, which may be applied to a program of study at Tyndale Seminary. This may be extended in consultation with the Registrar. Students who later desire to pursue a degree or diploma program must meet regular admissions standards and complete the full application process (see Application Procedures).
2. Admission as an Occasional Student does not guarantee acceptance into a degree or diploma program at Tyndale Seminary.
3. Occasional Student applications are available online at: tyndaleseminary.ca/apply.

Post-Graduate Certification Students

Students wishing to complete course work required for post-graduate certification, such as the College of Registered Psychotherapists (CRPO) and the American Association for Marriage and Family Therapy (AAMFT) certification or the Certified Spiritual Director (CSD) designation, must have already completed a master's degree. Applicants in this group are required to contact the major coordinator/program director to discuss course enrolment and receive approval for enrolment in restricted courses.

This letter should indicate the course(s) they wish to take and their current academic standing. If any of the desired courses require the completion of prerequisites, the student must provide proof that the requirements have been met. This can be indicated in the Letter of Permission or by submission of a transcript. Students admitted on Letter of Permission should be aware that they are not eligible to receive a degree or diploma from Tyndale Seminary.
2. At least three weeks prior to the end of the semester, LOP students must contact the Office of the Registrar to finalize the official transfer of grades. To apply for Admission on a Letter of Permission, submit the Visiting Student Application form.

Audit Students

An audit student is one who may audit a course for non-credit purposes. Audit students are not required to fulfil the course work requirements, but must adhere to normal attendance requirements. The instructor is under no obligation to grade any materials submitted by the audit student. Audit students may be restricted from certain classes, and the number of audit students per class may be limited.

To audit a course at Tyndale, complete the Visiting Student Application form available from the Admissions Office or online at: tyndaleseminary.ca/apply.

To register for courses, the audit student must submit a completed registration form to the Office of the Registrar. Permission from the Registrar and the course professor may be required to register. Any student desiring to change a subject from audit to credit or from credit to audit must do so within the add/drop period.

Note: Tyndale students may audit one course free of charge after graduation in a degree program.

Readmission to a Second Degree

Graduates of the Master of Theological Studies (MTS) program may wish to continue their studies to obtain a Master of Divinity (MDiv) degree. In most cases, this is possible with two additional years of study. The Association of Theological Schools (ATS) guidelines require students to complete two additional years of post-MTS studies. Students need to complete the application process, as they are requesting entrance into a new program of study (see Application Procedures). Upon acceptance, the Registrar will determine the courses required to complete the MDiv degree.

Student Development

Community Life and Standards

Tyndale's student body embraces an appreciation of individual diversity and a commitment to fostering a rich community life. Students at the Seminary range in age from recent university graduates to mature students who desire to continue their education for a number of reasons.

Over 900 students from across Canada and the world come to study at Tyndale Seminary each year. These students represent a wide variety of demographic, ethnic and Christian denominational backgrounds.

Community Standards

Tyndale University College & Seminary is an institution of higher education, distinctly Christian and standing in the Protestant Evangelical tradition. With Christians East and West, North and South, we affirm the historic Apostles' and Nicene creeds, and we affirm our spiritual kinship with all who seek to exalt and serve the Lord Jesus Christ.

Tyndale is also rooted in the Protestant Reformation with its conviction concerning the Lordship of Jesus Christ and the normative authority of Scripture. In the tradition of the Evangelical awakenings, we proclaim the message of a personal faith in the crucified Christ and a transformed life through the Spirit. We are also dedicated to serving the global Church in all its cultural diversity. We embrace the biblical call to seek justice and peace and to serve the poor, the vulnerable, and the oppressed.

As a Christian institution of higher education marked by its transdenominational character and a diverse constituency, Tyndale understands, as described in our Statement of Faith, that the Bible, inspired by the Holy Spirit, is the authoritative written Word of God and useful for personal and community life. It is in this that we believe that people best flourish by affirming its teaching and striving to live by its precepts.

As members of Tyndale, we strive to live lives that nurture a grace-filled community that honours God in its actions, attitudes and beliefs. We long that all in our community daily edge toward personal transformation of character that is marked by the fruit of the Spirit: love, joy, peace, patience, kindness, generosity, faithfulness, gentleness and self-control (Galatians 5:22).

As an academic community, Tyndale University College & Seminary's main purpose is articulated in our mission statement:

Tyndale is dedicated to the pursuit of truth, to excellence in teaching, learning and research, for the enriching of mind, heart and character, to serve the church and the world for the glory of God.

With our mission statement guiding us, Tyndale is committed to being a community focused on academic endeavours, community life, and Christian formation. To this end, Tyndale strives to be a place where all of its members – Christian administrators, staff, and faculty, along with students who have chosen to study at Tyndale – exhibit concern for the well-being of others and engage in open, rigorous, and respectful intellectual inquiry. These commitments are supported by patterns of biblical belief and behaviour that foster a distinctively Christian learning and working environment.

As it is with all institutions, membership has responsibilities. Therefore as responsible members of the Tyndale community each ought to contribute in meaningful ways to our common good. We know that individualism is a strongly held value in our culture. We believe, in congruence with the Christian Scriptures and a Christian worldview, where self-sacrifice and service for the greater good and the benefit of the community are highly valued. So it is with this in mind that we believe all members of the Tyndale University College & Seminary community will aspire to exemplify attitudes and to exercise biblical virtues.

Therefore we commit to:

live commendable lives characterized by honesty, civility, truthfulness, generosity and integrity

communicate, by various means, in ways that encourage others while respecting the need to correct as required

honour all persons and their ideas with respect and dignity

be responsible citizens both locally and globally, submitting to the laws of this country, and contributing to the welfare of creation and society

practise sexual fidelity and appropriate intimacy in all relationships and reserve sexual expressions of intimacy for biblical marriage between a woman and a man, and within marriage taking every reasonable step to resolve conflict and avoid divorce

encourage and support other members of the community in their pursuit of these values and ideals, while extending forgiveness, accountability, restoration, and healing to one another.

In addition, for the sake of our community and in keeping with the Christian Scriptures that draw us into the way of a virtuous and ordered life, members of the Tyndale community will refrain from the following:

- using illegal drugs or abusing prescription drugs
- using alcohol or marijuana on campus or at campus-related activities and irresponsibly using alcohol by drinking to excess and or participating in high-risk drinking at any time
- engaging in dishonest practices including plagiarism, theft, fraud, breach of trust or confidence
- promoting religious beliefs incompatible with Christian faith
- engaging in degrading, dehumanizing, exploitive, hateful, or gratuitously violent activities including the use of pornography in any form
- using profanity and obscene speech
- participating in violent or abusive behaviour and harassment of any kind.

These community standards and expectations, considered central to preserving and promoting the distinctly evangelical Christian character of Tyndale University College & Seminary and the health of our Christian community, are applicable to all members of the Tyndale community – administrators, faculty, staff, and all students. By virtue of membership in this community, all are expected to honour these standards and refrain from conduct that would be inconsistent with them.

Rights and Responsibilities

Student membership at Tyndale Seminary is based upon primary rights and responsibilities intended to honour all and maintain the integrity of the community for learning. The Policies, Regulations and Community Standards convey the community's ethos, aspirations and expectations required of all students. The rights and responsibilities exercised within the community must be compatible with these qualities and standards.

Tyndale Seminary acknowledges that students are able to make responsible decisions regarding their own behaviour within the guidelines of the Tyndale community. The purpose of these standards is to provide an environment that supports personal and intellectual growth. The intent is to recognize the rights as a student and the rights of others within this academic community, while also identifying certain responsibilities of all students who choose to participate in this educational context. These responsibilities apply to all students who are engaged in school-sanctioned activities, as well as to off-campus conduct should the activity materially affect the safety, integrity and/or educational interests of the Tyndale Seminary community.

Further information and procedures for discipline and appeals are provided in the appropriate sections of the Student Handbook.

Spiritual Disciplines and Worship

Tyndale is committed to fostering spiritual growth among its community. One of the ways we seek to facilitate this goal is through our chapel program, which is designed to promote the holistic development of all community members through corporate worship, to build community and to raise awareness of the issues of living as a Christian in our world. Chapels are offered at 11:15 am on both Tuesdays and Thursdays and we hope that everyone on campus will attend. Many offices and student services are closed for Tuesday chapels to allow staff, faculty and students alike the opportunity to attend.

Along with the Tuesday and Thursday gatherings, regular student-led chapels are held on Sundays through the academic year. Check the Student Handbook for more information.

Anti-Discrimination and Harassment Policy

It is official policy that members of the Tyndale community be able to enjoy an environment free from all forms of discrimination and harassment. No employee or student may be discriminated against in any manner that violate the Ontario Human Rights Code. The full policies and procedures to register a complaint are outlined in the Student Handbook. The Student Handbook is available online.

Orientation for all students continues in various ways at the start of the fall and winter semesters with a desire to see each student become an integral part of the Tyndale community and to experience a memorable year.

Residence

The Tyndale residence is a caring community that fosters accountability and lifelong relationships. While most residents are University College students, there are also limited options for Seminary students to live in residence.

The Department of Student Development endeavours to foster a quality of student life that will stimulate residents to develop intellectually, physically, socially, emotionally and spiritually. This involves a commitment to maximizing opportunities for the individual to make responsible choices with the expectation that the individual also recognizes an obligation to contribute to the growth and welfare of others in the community.

The Centre for Academic Excellence

The Centre for Academic Excellence is committed to the success, support, and academic flourishing of Tyndale's students. Students at all levels of ability can profit from the Centre's free services by booking one-on-one sessions, attending workshops and group study sessions, and accessing resources both online and at the Centre.

The Centre has been established to help students achieve their full potential as learners. It consists of Writing and Tutoring Services, Accessibility Services, Academic Advising, and Career Services. These areas have been designed to work together, guiding students toward academic success through an integrative, supportive network of skilled advisors.

Writing and Tutoring Services

tyndale.ca/writing-tutoring

Staffed by a team of skilled and approachable student writing consultants and tutors, Writing and Tutoring Services offers two kinds of support: **Academic Tutoring** (for Tyndale undergraduate students [excluding B.Ed.] in multiple areas of study) and **Writing Consultation** (for all students of Tyndale University College & Seminary).

Students interested in joining the team of academic tutors and writing consultants may contact the Learning Specialist for further details. To learn more about these services or to book an appointment, drop by and speak to the staff, send an email, or visit online — tyndale.ca/writing-tutoring.

Writing Consultation

The Centre offers a comprehensive program of writing support to students regardless of skill level or area of study. Writing Consultants can assist at any stage of the writing process, including the following:

- Starting an assignment
- Organizing and outlining ideas
- Learning to edit
- Refreshing grammar skills
- Documenting sources
- Refining style

Students may also bring essays that have been graded to identify patterns and improve their skills.

For further details, visit the Writing and Tutoring Services website or contact academictutoring@tyndale.ca, writing@tyndale.ca, or by phone at 416.226.6620 ext. 2179.

Accessibility Services

tyndale.ca/accessibility-services

Accessibility Services supports students who have permanent or temporary disabilities. Services such as academic accommodations, learning strategies, and assistive technology training are provided to support students in meeting their academic demands while managing their disability's functional limitations. Accessibility Services provides accommodations for students to remove barriers to their course and program requirements; modifications to requirements are not provided.

Accessibility Services strives to create a safe and comfortable environment for students by providing services that respect their dignity, encourage independence and promote full participation throughout their career at Tyndale.

Students experiencing difficulties in their learning and academic performance due to the functional limitations of their disability are encouraged to book a confidential appointment with the Accessibility Specialist.

- **New students** must self-identify and register with Accessibility Services at the beginning of the semester or as early as possible to access appropriate services.
- **Current students** must renew their plans every semester to have active accommodations in place.

The Student Accessibility Advisory Committee (SAAC) exists to support student accessibility on campus. It convenes at least once per semester. This committee has the responsibility of examining current internal accessibility and accommodations policy, as well as

recommending adjustments and new activities and strategies to the Academic Deans. The committee also monitors the implementation of policy and decisions, as well as individual accommodations, in order to achieve compliance. Students who wish to appeal accommodation decisions or request changes to current policy can appeal to this committee. The decision of the Student Accessibility Advisory Committee is final.

For more information, please contact Accessibility Services at accessibilityservice@tyndale.ca, or by phone at 416.226.6620 ext. 2189.

Academic Advising and Career Services

tyndale.ca/academic-advising

tyndale.ca/career-services

Advising Services is available to students at any stage of their academic program. Students can approach Advising Services with questions related to their program of choice, advice on scheduling their courses in proper sequence, guidance on how to balance their workload, or suggestions on how to implement an academic plan. Special attention is given to first-year students who enter under admissions probation or current students who are placed on academic probation. Students can also speak to Advising Services to understand their learning style and how it can best serve their academic experience. Any students who require extensions on coursework beyond the last day of the semester must speak to Advising Services on or before the last day of final exams as these extensions are facilitated by Advising Services.

Advising Services has a close relationship with faculty and may intervene and provide assistance to students on a faculty member's recommendation. At any point in the semester, Advising Services may contact students for progress meetings. The purpose of these meetings is to understand how a student is progressing during the semester, identify challenges that might be affecting their performance, and refer students to support services at Tyndale. It is understood that progress meetings are mandatory for students who are contacted.

Career Services is available to all students. Students can request support and assistance on finding their strengths and aptitudes towards a particular vocation or request personality inventories to begin the process of finding a suitable vocation. Resume and cover letter assistance, guidance, counsel, and referrals are all included in this service. The Academic Advising and Career Specialist will provide opportunities for the student community to network with various representatives of Tyndale and the broader community in particular areas of the workforce. Workshops will also be available to the student community.

For more information, please contact Academic Advising and Career Services at advising@tyndale.ca, careerservices@tyndale.ca, or by phone at 416-226-6620 ext. 2160.

Fees and Expenses

Tyndale University College & Seminary is an independent, not-for-profit, transdenominational institution that reviews its fee structure each year. Its independent status means that it does not receive denominational support and government funding. The cost of education is therefore subsidized by other income, including substantial donations from the Christian community. The following tuition fees and expenses are effective May 1, 2019 through April 30, 2020:

Tuition Deposit

All new students must submit a one-time \$300 deposit (\$500 for Doctor of Ministry [DMin] students) by August 1 if they start in the fall semester and December 1 if they start in the winter semester. The deposit is non-refundable and will be credited toward tuition fees in the following semester.

Residence Deposit

A Residence Deposit of \$200 is held on file until the student leaves residence. It is non-refundable and non-transferable after August 1 for the fall semester and December 1 for the winter semester, whether or not the applicant enrolls. When a student moves out, his or her deposit can be returned to the student provided that the student's account is in good standing. Furthermore, there must be no damages in the student's room and no other infractions must have occurred. If a student is returning to residence the next academic year, the deposit may be kept on file and carried forward to the next academic year.

Financial Aid

Tyndale Seminary understands that financing seminary education is a major concern of students. Therefore Tyndale has a number of funds to assist students in meeting their educational costs. For example, there are a variety of scholarships, bursaries, sponsorship programs, and loans available to Tyndale students. Students are encouraged to apply for financial aid early.

In addition, the Financial Aid Office regularly receives numerous award notices from external organizations that are distributed to students throughout the academic year. Information on these awards is made available to students. In most cases, all necessary information is available online. Students are welcome to come for a one-on-one meeting with the Coordinator of Student Financial Resources before the next year of attendance to discuss their personal financial situation in more detail. They can be contacted at 416.226.6620 ext. 2177 or at financialaid@tyndale.ca.

Many of the financial aid programs have requirements that students study full-time (9 credit hours per semester). Eligible students can apply for scholarships, bursaries and other awards online at tyndale.ca/financialaid.

Seminary Programs

Overview of Academic Programs

Tyndale Seminary holds a charter from the province of Ontario to grant the Doctor of Ministry (DMin), Master of Theology (ThM), Master of Divinity (MDiv) and Master of Theological Studies (MTS) degrees. These degree programs are accredited by the Commission on Accrediting of the Association of Theological Schools (ATS) in the United States and Canada. The Seminary also offers a Graduate Diploma program with specialization in a number of areas. For program details, please refer to the pertinent program section in the following pages.

Doctor of Ministry (DMin)

The Doctor of Ministry is an advanced professional degree program designed for those engaged in the full-time practice of ministry and holding a Master of Divinity or equivalent. Tyndale's DMin has three tracks: (I) Ministry Leadership; (II) Preaching & Communication; (III) Spiritual Formation. This is a three-year, part-time, in-ministry program.

Master of Theology (ThM)

The purpose of the Master of Theology degree is to provide students with an opportunity for study in Bible, Theology (including Spiritual Theology) or History at the most advanced level short of a Doctor of Philosophy (PhD) or Doctor of Theology (ThD) program.

Master of Divinity (MDiv)

The three-year (27 course) Master of Divinity program is the normative degree to prepare persons for ordained ministry and for general pastoral and religious leadership responsibilities in congregations and other settings. It is the required degree for admission to the Doctor of Ministry program and the frequently recommended degree for admission to advanced programs oriented to theological research and teaching.

Master of Theological Studies (MTS)

The two-year (18 course) Master of Theological Studies is a foundational program in graduate theological studies. The purpose of the MTS is to develop theological understanding for general educational purposes and enrichment, or for further graduate study. The MTS may be completed fully online.

Graduate Diploma

The one-year (9 course) Graduate Diploma program provides foundational biblical, theological and ministry formation competencies for adult learners wishing spiritual enrichment, personal growth and leadership development. These programs provide students with an opportunity to tailor their studies to meet their learning and ministry needs. The Graduate Diploma in Christian Studies may be completed fully online.

Master of Divinity (MDiv) Program

The Master of Divinity program is designed so that students completing the degree will acquire foundational preparation for ordained ministry and for Christian leadership in congregations and other settings.

MDiv Learning Outcomes:

1. Develop breadth of knowledge and critical understanding of the theological disciplines.
2. Acquire capacities for understanding and engaging the cultural, social and global context of God's mission in the world.
3. Experience personal and professional growth through a process of intellectual, spiritual and ministry formation.
4. Develop and hone skills for theologically reflective ministry practice in its various forms.

All students take core courses in biblical studies, theology, church history, leadership, spiritual formation and ministry practice. In addition, students may choose a major in Biblical Studies, Christian Education and Discipleship, Counselling, Global Mission and Intercultural Studies, Pastoral Ministry, Pastoral Ministry: New Generation Multicultural Church, Spiritual Formation, Theological Studies or Youth and Family Ministry. The MDiv Interdisciplinary option allows students to tailor their courses for general leadership or for specialized ministry not addressed in other majors.

Notes:

1. To complete the program in three years requires nine courses per year.
2. Students are expected to complete the MDiv within a maximum of 10 years from beginning the program.

3. Students desiring to prepare for further academic studies (e.g., PhD or ThD) may substitute two electives with a thesis, provided that they have an overall Grade Point Average (GPA) of at least 3.3 and have completed at least 18 courses in order to qualify. See the Thesis Handbook for further details.
4. All MDiv students are required to complete an internship. This internship is normally completed during the last year of study.

Master of Divinity: Church in the City (In-Ministry) Program

Director: Prof. Jesse Sudirgo | 416.226.6620, ext. 2716 | jsudirgo@tyndale.ca

The program is designed for those who are looking for new ways to engage our cultures with the Good News. This includes those in vocational ministry, either full or part-time, as well as those committed to the vocational goal of congregational leadership. We also recognize that moving forward a key group will be people who are passionate about rethinking ministry and initiating new ministries, so this program is also designed for those who exhibit Christian leadership gifts and a sense of call which may be quite unconventional.

Organized around a missional framework, Church in the City understands the church to be the people of God, called together into a distinctive community of worship, prayer, equipping and sending. Those who are sent out into every sphere of society and every corner of the world are witnesses in word and deed to the gospel of the kingdom of God. This means that mission is integral to the church, the church is missionary by nature.

To bring together reflection and practice, Church in the City requires students to use their ministry setting as a context for launching an incubator project. In this they work out how to research, design, launch and develop a new ministry which turns outward to engage the community. Here ideas from the classroom can be tested in a real life ministry setting and those learnings subsequently brought back into the classroom.

The program is creative in its design, believing that design should reflect values. It is a fully integrated, modular cohort based program which means that students work in a learning community (known as “cohorts”). Students participate weekly in this communal learning context, sharing times of prayer, peer mentoring, worship and meals. Faculty mentoring is also built into the program as faculty stay with each cohort, providing personalized guidance as well as classroom instruction. Cohort classes are held one day per week, plus one Saturday per semester, for three and a half years. Each course is six weeks long and requires approximately 15 to 20 hours per week.

After the completion of the 21 cohort-based courses each student has six free electives which may be used to pursue a variety of interests, or to meet denominational requirements for ordination.

Master of Divinity: Counselling Major

Coordinator: Dr. Susan Ellfeldt | 416.226.6620, ext. 6787 | sellfeldt@tyndale.ca

Assistant Coordinator: Dr. Helen Noh | 416.226.6620, ext. 2118 | hnoh@tyndale.ca

The Master of Divinity in Counselling provides educational preparation for students interested in counselling in congregational settings or in the marketplace. A hallmark of the MDiv Counselling program is a dual focus on theological and psychological understanding of human personhood and the therapeutic process.

Applicants interested in becoming credentialed counsellors are advised to investigate the accreditation requirements in their area of professional interest (e.g. type of degree, accreditation required, clinical experience needed, registration with a particular professional association or college, etc.) before enrolling in the MDiv Counselling major. Public and private counselling agencies, as well as denominational pastoral counsellors and chaplains, often have credentialing standards that must be met.

The MDiv Counselling major has two tracks: the Clinical Track and the Pastoral Care and Counselling Track. The tracks are designed to prepare students for differing ministry specializations. Students will need to choose their track upon enrolment. Students wishing to change their track designation should speak to their faculty advisor.

Clinical Track

The Clinical Track is intended for those who are seeking to become credentialed in the Province of Ontario to offer psychotherapy in agencies (secular or Christian) or in private practice.

The program prepares graduates to practice psychotherapy with clients who are struggling with internal and interpersonal issues that require in-depth, longer-term therapy.

Tyndale Seminary's MDiv Counselling program provides educational preparation, but not certification, as a counsellor/therapist. Further clinical experience and supervision will be required post-graduation to obtain professional accreditation with a certifying body.

Students who plan to pursue registration with the College of Registered Psychotherapists (CRPO) or certification with the American Association for Marriage and Family Therapy (AAMFT) should consult with the faculty advisor early in their program regarding membership criteria.

Students in the clinical track are expected to engage in individual professional counselling for their own personal growth and development.

Ongoing registration in the clinical track is subject to successful annual review of the student's progress by the counselling faculty.

Pastoral Care and Counselling Track

The Pastoral Care and Counselling Track focuses on short-term pastoral counselling around issues such as family and life crisis and other difficult life circumstances and transitions. Deeper psychotherapy would not be part of this work. 1. All applications to the MDiv Counselling major (both new students and students transfer from another program) must be received by May 1 of each year. Admission criteria includes relevant academic training, vocational goals that align with the program and any counselling-related experience. All applicants will be interviewed by the Major Coordinator and/or a counselling faculty member in May or June. Acceptance notifications will be released by the end of June.
2. This program admits students in the fall semester only. Students who are accepted to the Seminary during other times in the year may take courses in Bible, History and Theology and those counselling courses that are unrestricted. Students who then wish to transfer into the Counselling Major must complete the change of program form and supplemental form in the Office of the Registrar before May 1 and be interviewed.
3. A two-semester internship in a counselling setting (approximately 15 hours per week) is required of all students in the third year of the program. Second-year students prepare for the internship by taking a counselling skills lab, three hours per week, in both semesters of the academic year.

Master of Divinity: Spiritual Formation Major

Coordinator: Dr. David Sherbino | 416.226.6620, ext. 6741 | dsherb@tyndale.ca

The Master of Divinity in Spiritual Formation facilitates integrated and holistic deepening of students' love for God and neighbour, expressed in mission and service. This is accomplished through theological reflection, communal and individual disciplines and mentoring relationships. In order to achieve these goals, some courses are offered in nontraditional formats. For example, SPIR 0700 Spiritual Formation includes a mandatory three-day retreat off-campus. SPIR 0601 Finding Your Way: The Principles of Spiritual Direction is offered in a one-week retreat format every May. Students should budget for extra retreat expenses for some courses.

The MDiv Spiritual Formation students who also desire the designation of Certified Spiritual Director (CSD), granted by the Canadian Council for Professional Certification, may complete all the educational requirements within the MDiv degree requirements. Additional practicum hours may be required to complete the required 500 hours of supervised practice.

Master of Theological Studies (Modular)

Director: Dr. Arnold Neufeldt-Fast | 416.226.6620, ext. 2655 | neufeldt-fast@tyndale.ca

The Master of Theological Studies Modular program is a foundational program in Christian theology and marketplace ministry. Its purpose is to provide understanding in the theological disciplines, integrating intellectual rigour, spiritual formation and ministry development for those in the workplace.

All modules are placed in a fixed sequence to facilitate progressive development in theological study. Classes are held on Monday evenings. Students enter this program as a cohort and maintain this group throughout the entire program. This format provides a unique learning community with high personal support and peer interaction. The MTS Modular program is well suited to adult learners who desire to take responsibility for their own learning.

An ongoing required component of the MTS Modular program is personal reflection and small group discussion aimed at integrating academic learning with spiritual growth and ministry development. Students are accountable to their peers in the learning process. Spiritual friends and mentors are a key component in the learning process.

The MTS Modular program makes graduate theological education accessible and manageable for people with family responsibilities and full-time careers. There are 18 courses offered in a modular format consisting of a weekly four-hour evening class for five or six weeks, supplemented by approximately 15 hours per week of independent study. This is essentially the same time involvement as a traditionally scheduled program.

The program is designed to be completed in just less than three years, including one-week breaks between modules, as well as Christmas and summer vacations.

Master of Theology (ThM) Program

Director: Dr. Dennis Ngien | 416.226.6620, ext. 2763 | dngien@tyndale.ca

The Master of Theology (ThM) is an advanced degree designed to provide students with an opportunity for in-depth study in a theological discipline.

Students completing the Master of Theology degree will be prepared for further studies at the doctoral level and/or for scholarly enhancement of ministerial and missional practice.

ThM Learning Outcomes:

1. Acquire advanced, in-depth knowledge and competence in one of the following disciplines: Old Testament, New Testament, Theology (including Spiritual Theology) or Christian History.
2. Develop advanced skills in theological research and writing, including engagement with primary resources, scholarly exchange in a peer community and communication of research results for the church and the academy.
3. Cultivate personal and spiritual qualities necessary for scholarly and vocational ministry.

The ThM program allows students to be mentored closely and rigorously by reputable scholars who exhibit a faith of both the mind and the heart.

The ThM program has a thesis option as well as a non-thesis option. Students will be admitted into the thesis option in consultation with the Director and a Supervisor from their area of focus. Both options provide for the scholarly enhancement of ministerial and missional practice and preparation for various forms of teaching. The thesis option specifically prepares students for further studies at the doctoral level (ThD/PhD). Both options are designed to engender confidence in the gospel and to prepare students to engage the world through Christian scholarship.

ThM Language Requirements

A student must demonstrate the language proficiencies as described below:

1. A student in New Testament must demonstrate proficiency in two years of Greek upon admission. One year of Hebrew is required before submission of a thesis proposal.
2. A student in Old Testament must demonstrate proficiency in two years of Hebrew upon admission. One year of Greek is required before submission of a thesis proposal.
3. A student in Theology or Christian History must demonstrate proficiency in one year of Greek, Hebrew or Latin upon admission. Proficiency in a modern foreign language (e.g. German or French) will be required in those cases where it is deemed essential to the research topic.
4. For Greek and Hebrew, Tyndale faculty will set an appropriate examination. For Latin or modern languages of scholarship, we have arranged with the Advanced Degree Office at the Toronto School of Theology (TST) for Tyndale ThM students to take the modern

language proficiency exams administered by TST. Students would bear the cost of this exam and would also be eligible to take courses in modern languages offered by TST in preparation for this exam.

Notes:

1. Normally, students start the program in the fall semester and complete the degree within one to two years of beginning course work. To maintain their status within the program, students are required to take at least one course per year. Students are normally expected to complete the ThM within a maximum of seven years of beginning the program.
2. Normally, INTD 0861 Advanced Research Methods and INTD 0851 Text and Interpretation must be completed during the first year of course work.
3. All students choosing the thesis option are required to write a thesis stemming from research within their particular major. See the Thesis Handbook for thesis requirements. The thesis is to be completed within one year of completion of the last course. Students who have not completed their thesis within one year of completion of the last course will be required to pay a program continuation fee each year until completion, up to the seven-year program limit. The continuation fee is the equivalent of the tuition for one course.
4. Students taking the non-thesis option will write an extended paper of 40-50 pages in one of the courses as that course's major assignment.
5. Course choices must be made in consultation with the program director.

Tyndale Seminary Internship Program (TSIP)

Director: Dr. Michael Krause | 416.226.6620, ext. 2239 | mkrause@tyndale.ca

The internship experience (field education) is a central component in the theological curriculum at Tyndale Seminary. All Master of Divinity students must complete a two-semester internship, normally during the last year of study. The Tyndale Seminary Internship Program (TSIP) provides students with a transformative context for integrating the theological, spiritual, relational and vocational dimensions of Christian ministry and leadership.

The TSIP has a formative aim of developing theologically reflective Christian leaders for service in the church and the world. Through engagement in real-world ministry in supervised placements, interns are provided with opportunities to work alongside experienced ministry mentors to develop ministry competencies, to set and meet individualized learning goals and to clarify and confirm their ministry gifts and calling.

Students in the MDiv Counselling and MDiv Spiritual Formation programs have specific internship requirements and should consult their program coordinators for details. Internships for all other MDiv students are overseen by TSIP. Students enrolled in the Master of Theological Studies program may also elect to take an internship course (INTD 0701).

Internship requirements and program details are provided in the TSIP Manual, which is available from the program director and online at: tyndale.ca/seminary/tsip.

In brief, TSIP involves:

1. A minimum of 10 hours per week over two semesters of supervised ministry practice.
2. Formulation of, and adherence to, an individualized learning contract agreed upon by the student, Internship Supervisor, and TSIP Director.
3. Mentoring and weekly supervision with an approved Internship Supervisor.
4. Attendance and participation in Theological Reflection Seminars.
5. Completion of Ministry Experience Reports for submission to the Theological Reflection Seminar.
6. Completion of the Self-Evaluation and Supervisor Evaluation.
7. Completion of the Final Summative Assignment.

The internship placement is selected by the collaborative discernment of the student and the TSIP Director. A variety of churches, Christian organizations, mission groups and agencies are approved internship sites for Tyndale students.

Students are strongly encouraged to meet with the TSIP Director early in their academic career to discuss their goals, ministry experience and internship plans.

Certified Spiritual Director (CSD) Designation

Coordinator: Dr. David Sherbino | 416.226.6620, ext. 6741 | dsherb@tyndale.ca

The Certified Spiritual Director (CSD) designation is a professional certification offered by the Canadian Council of Professional Certification. It recognizes individuals who have specialized training and supervision in the field of spiritual direction. The purpose of the program is to provide acceptable standards of academic training and practical skills in spiritual direction.

This certification provides:

1. the avenue for qualified persons who have studied, worked and developed skills in the practice of spiritual direction to receive professional recognition;
2. confidence for the church that spiritual directors have attained an acceptable level of competency; and
3. encouragement for continual spiritual awareness, educational and professional development of spiritual directors.

Notes:

1. An applicant applying for certification must have a minimum of a baccalaureate degree in the field of spirituality from an accredited institution. However, a master's degree is preferred. Both degrees must have core subjects in Bible, theology and spirituality.
2. MDiv Spiritual Formation and MTS students who use eight of their electives in Spiritual Formation (SPIR) will complete all the educational requirements to receive the CSD. However, the internship requires 500 hours of face-to-face spiritual direction under supervision. This practical requirement may not be completed within the MDiv or MTS program; therefore, students may continue this internship post graduation in order to complete the 500 hours required to receive the CSD.
3. Students seeking CSD certification, with an MDiv or MTS degree, are required to have an interview with the program director to determine the courses they must take.
4. SPIR 0710 and 0711 Spiritual Direction Internship: Students must undergo a minimum of 12 months with an approved spiritual director prior to beginning the internship in spiritual direction. They then engage in an 8-month internship in the actual practice of spiritual direction in which students meet with clients weekly to provide spiritual direction. In addition, they meet regularly with a supervisor for personal and group supervision. The total number of supervised contact hours required for the internship is 500 hours.

Online Learning

Tyndale Seminary offers a number of courses in online delivery format each semester. Courses are developed to ensure an exceptional educational experience. The online system is designed to be user-friendly with learning sequences and activities that are simple to follow. Students do not need to purchase special software. Online courses can be easily accessed through the student's Tyndale email account. The system includes online help files, technical support and a link to the J. William Horsey Library. Qualified librarians are available to assist students to access relevant databases and electronic materials in Tyndale's collection and server. Students also receive technical support for their courses.

Students are advised that the time commitment for online learning is comparable to that for on-ground courses. Assignments are submitted online.

Students may take up to eighteen courses online. This is enough to complete the one-year Graduation Diploma, two-year Master of Theological Studies degree, or fulfil the requirements for two full years of credit toward a Master of Divinity degree. Because Tyndale is accredited by the Association of Theological Schools (ATS), online courses at Tyndale are eligible for transfer credit at other ATS schools. Some online courses needed to complete the Master of Theological Studies require students to find a local spiritual director and/or mentor, as well as supportive relationships in a local congregation.

Courses will be scheduled to allow a student to complete a fully online Master of Theological Studies degree.

A list of online courses can be found at tyndale.ca/seminary/online/courses.

Old Testament and New Testament courses are listed separately under OLDLT and NEWT.

BIBL 0501 (3) Biblical Interpretation

— A foundational course on biblical interpretation which will provide students with the basic exegetical tools required to interpret and appropriate the biblical text. The student will learn to recognize and work with the different literary genres of the Bible and will gain an overview of various hermeneutical approaches to Scripture. In the process, the student will be introduced to various research tools, methods, resources and practical skills for interpretation in order to appropriate the Bible well in our contemporary context.

BIBL 0570 (3) Directed Reading and Research

— Directed Reading and Research (DRR) courses allow students to study in a specific area of interest not addressed by the scheduled course offerings. *Permission required.*

BIBL 0603 (3) Israel Study Tour: Historical Geography of the Bible

— A study tour that combines travel with lectures and readings to provide students with a rich, on-site learning experience. Students will spend three full weeks in Israel visiting sites throughout the country that formed the stage on which so many biblical events were played out. The tour will move region by region, spending time in Jerusalem and Judea, Benjamin, the Coastal Plain, the Negeb, the Dead Sea area, the Jordan Valley, the Galilee and the Golan Heights. In each area, students will learn about its geography and archaeology, exploring how the features of each area shaped the history of its people. Attention will also be given to the imagery and symbolism connected with each region in both the Old and New Testaments. *Within the Seminary this may count as NEWT or OLDLT elective.*

BIBL 0670-0675 (3) Special Topics in Biblical Studies

— Examination of specific topics in biblical studies.

BIBL 0718 (3) Biblical Studies Seminar

— A focused examination of a specific issue, theme, or topic in Biblical Studies. Seminar format. Topic and instructor vary annually. Prerequisites: *BIBL 0501, NEWT 0522, OLDT 0511.*

BIBL 0799 (6) Biblical Studies Thesis

— See the Thesis Handbook for details.

CHRISTIAN EDUCATION AND DISCIPLESHIP

CHED 0551 (3) Historical and Philosophical Foundations for Christian Education

— Provides an overview of the history of education from the classical Greek and Roman periods to postcolonial times. While the focus is on educational developments within western civilization, prominent educators from the East (India and China) as well as Latin America (Brazil) will be studied. Students will be introduced to significant figures and some of their important ideas (and writings) that influenced the field of education. In addition, students will reflect upon selected biblical texts to establish a strong theological foundation for education. A major aim of this course is to develop a personal “pedagogical creed,” a Christian philosophy of education that will serve as a framework for teaching and a seedbed for ongoing reflective praxis.

CHED 0552 (3) Learning to Teach; Teaching to Disciple

— Provides a vision for Christian education (CE) in the life and mission of the church. Drawing from key passages in the Bible and the wider field of education, learners will develop a biblical theology of CE and discipleship, be familiar with some learning theories (especially Jesus’ model), reflect on one’s growth as disciple and teacher, and develop a working framework for teaching. The major goal is to build strong theological and educational foundations for effective teaching and discipleship in personal life, church and mission.

CHED 0553 (3) Nurturing the Spiritual Lives of Children

— Builds a biblical foundation, explores faith development issues and formulates a rationale for ministry to children. Practical approaches that respond to the spiritual needs of children and nurture their growth as whole persons are included.

CHED 0556 (3) Understanding the Adult Learner

— Designed as an introduction to the facilitation of adult learning. Attention is paid to various theories of adult learning, such as the nature of andragogy, motivation, adult development and factors of gender, race and socioeconomics relating to adult learning. A variety of learning techniques will be employed and modeled, including seminars, discussions, presentations and creative in-class activities.

CHED 0570 (3) Directed Reading and Research

— Directed Reading and Research (DRR) courses allow students to study in a specific area of interest not addressed by the scheduled course offerings. *Permission required.*

CHED 0596 (3) Youth Ministry and the Changing Family

— Builds a biblical and theological foundation, explores faith development issues, and formulates a rationale for ministry to and with youth and families. Special emphases will be given to issues of adolescents and their families, theological principles and models of youth and family ministry, and developing a strategy for a family-friendly youth ministry. The changing realities of the family in Canadian society today will also be addressed. *Same as PAST 0596 and YMIN 0596.*

CHED 0611 (3) Teaching as a Theological Act: Foundations and Practices

— Explores the theological presuppositions that inform Christian education and ministry practices. Students will articulate and evaluate their working philosophy of educational ministry in light of biblical and systematic theology.

CHED 0652 (3) Curriculum Design for Learning and Discipleship

— Churches often emphasize evangelism and church planting strategies without giving sufficient attention to discipleship and faith formation. Yet, strong churches are the result of discipleship education through purposeful educational strategies and curriculum design. Topics considered are curriculum design theory, learning needs, frame objectives, relevant subject matter, structure appropriate learning events, assessment, and program effectiveness. Also included are curriculum evaluation, implementing curricular change, the role of the teacher, relating curriculum theory to traditional forms of church life and equipping educational leaders to deal with complex curricular issues in discipleship and faith formation in the church.

CHED 0654 (3) Human Development and Learning

— Explores the relationship between developmental psychology, human and religious faith development. Learners will study some major developmental theorists and their impact upon human development, learning and faith. A major aim of this course is to reflect upon a fundamental question, “How are intellect, personality, morality and belief systems shaped and what implications do these have on faith formation, learning and counselling?” Learners will critique various psychological theories within a theological framework and, where possible, integrate them into a more holistic approach in pastoral ministry, Christian discipleship and counselling. *Same as COUN 0654.*

CHED 0662 (3) Tools for Reading Social Contexts: Ethnography for Ministry

— Ethnographic research aims to equip students to “read” people in their contexts reliably and accurately. If contextualized ministry is being accountable to the hermeneutical obligations of the gospel, contextual analysis is fundamental to all Christian work. Skills of observation, in-depth interviewing, data analysis and the preparation of instruments for testing generalizations in larger or contrasting settings will be developed. Facilitates the ability to carry out field research in the style, form and discipline of anthropological inquiry.

CHED 0664 (3) Pastor as Teacher in the Local Church

— Encourages leaders, especially pastors, to develop an educational vision for their congregations. Views education as more than formal teaching that permeates the church, from preaching to administration and pastoral care. Beginning with a biblical examination of teaching and education, explores how leaders can integrate an educational vision into a variety of aspects of their ministries, so that people grow in their knowledge, understanding and integration of Christian faith. Specific, practical approaches to education in a variety of church settings will be considered. Practical guidelines for preparing and leading classes will be discussed. In addition, consideration will be given to a pastor’s role in recruitment, preparation and support of other teachers in the congregation. *Same as PAST 0664.*

CHED 0666 (3) Education for Spiritual Development

— Provides an opportunity for participants to reflect on spiritual development, discipleship, service and educational leadership issues in the church. What are people in the congregation learning? How does spiritual growth occur? Why is education important? How can spiritual development, disciple-making and education be intentional, pervasive movements in the life of a local church? How can church leaders be effective educators and champions of education in their congregations? Encourages reflection on a variety of approaches to spiritual growth, education and opportunities for teaching and learning in and through the church.

CHED 0670-0675 (3) Special Topics in Christian Education and Discipleship

— Examination of specific topics in Christian education and discipleship.

However, intercontinental conditions, coupled with emerging attitudes in Europe and the Americas, stimulated surprising changes. By the middle of the 20th century, the centre of Christian life was shifting from the northern hemisphere to the south. Tracks with these developments and the thought underlying them. Writings from the participants lead students into the fervor of the times.

INTD IS16 (3) Integrative Project

— Normally, within Indigenous contexts of learning, integration of new experiences takes place more simultaneously. Compartmentalized approaches to knowledge, which require an integrative course, would be less normative here than in Western traditions. INTD IS22 (3) Colonization and Decolonization

SPIR IS09 (1.5) Indigenous Spirituality and Spiritual Formation

THEO IS12 (3) World Religions

— Provides an overview of the major world religions including the place of Christianity in the religious arena. It offers a foundation for understanding different religions, their development, worldviews and cultural impact. A summary of major religious figures, central doctrines/teachings, sacred myths and texts — including potential emerging world religions — will lead to a discussion of appropriate Christian responses to the world's religions and their

adherents. Indigenous values such as respecting others and story telling are central to the approach utilized in this course.

THEO IS21 (3) Indigenous Theologies and Methods

— Building on Theology I, this course will delve into unique Indigenous theological contributions to the meaning of Christian faith and life. Thus, the course will seek to engage the ideas represented by the councils, creeds of past theologians, and then move to examine the theological praxis that resulted in a colonial and post-colonial context.

The student is exposed to some of the most formative figures in the story of the church through the reading of a variety of classic Christian writings. This interaction with the past is designed to help the student understand the breadth and richness of their faith. INTD M506 (3) Work, Vocation and Ministry

— Provides a biblical and theological reading of the marketplace as a context for kingdom impact and effective ministry. It will revisit the notion of work as a calling and help students develop a theology of work that integrates faith and work and bridges the "Sunday-Monday Gap". 3. Students will normally be eligible for a DRR course after they have completed at least 15 semester hours of regular course work and demonstrated ability to do independent research and writing.
4. Normal prerequisites apply to all DRR courses. The student will have completed the prerequisites in the given curricular area with at least a Grade Point Average (GPA) of 3.0 (B) in those courses.
5. DRR courses are not normally open to occasional students.
6. For further information, visit: tyndale.ca/seminary/study/drr.

Program Changes

Students are accepted into the program indicated on their acceptance letter. Students deciding to change program, major or concentration must apply through the Office of the Registrar, using the form designated for this purpose. Upon receipt of the application for a program change, the Registrar will review it and come to a decision.

The Academic Planning Committee reserves the rights to request or require a student to change to the diploma program, another degree program or another major. An appeal may be made following the Appeals Policy or the Academic Appeals Policy.

Repeating Courses

1. Only the higher earned grade in any repeated courses will count in the computation of the grade point average.
2. Earned credit hours in repeated courses will only count once.
3. The repeated course must be completed in its entirety.

Shared Credit between Two Degrees/Programs

1. A student may not be in two academic programs at the same time.
2. A student who completes the Graduate Diploma may count all 9 courses toward a subsequent Master of Divinity or Master of Theological Studies.
3. A student who completes the Master of Divinity or the Master of Theological Studies may use 4 of the 9 courses toward a subsequent Graduate Diploma.
4. A student who completes the Master of Theological Studies may use 9 of the 18 courses toward a subsequent Master of Divinity.
5. A student who completes the Master of Divinity may use 9 of the 27 courses toward a subsequent Master of Theological Studies.
6. Earning both the Master of Theological Studies and the Master of Divinity require a minimum of 36 courses.
7. Once the Master of Theological Studies is awarded, a student may not “surrender” that degree.

Transcripts

Students requiring Tyndale transcripts should submit a Transcript Request form, available at tyndale.ca/registrar, to the Office of the Registrar and pay posted fees.

Transfer Credits on Admission

Students who have completed graduate course work at another accredited institution and wish to transfer to Tyndale Seminary may be eligible to receive credit to a maximum of one half of the program requirements, provided the following criteria are met:

1. Minimum cumulative Grade Point Average (GPA) of 2.0 (C).
2. Courses are completed with a Grade Point Average of 2.0 (C) or higher.
3. Subjects parallel program requirements at the Seminary.

Transfer Credit on a Letter of Permission (LOP)

Tyndale students who wish to take a course at another accredited institution for transfer credit toward their program must obtain a Letter of Permission (LOP) from the Registrar prior to registering with the other institution. Courses completed elsewhere without a LOP may be ineligible for transfer credit.

- To request a LOP, an application for a Letter of Permission must be submitted to the Registrar, along with the syllabus from the other institution.
- Courses selected to replace Tyndale program requirements must be equivalent in content and academic requirements.
- Fees for courses taken at other institutions are payable directly to the institution involved.

- At the end of the course, it is the student's responsibility to ensure that an official transcript of the course grade be sent to the Registrar at Tyndale.
- The maximum number of courses that may be taken on a LOP are as follows: five courses in Master of Divinity; four courses in Master of Theological Studies; two courses in Master of Theology and Graduate Diplomas. Students granted transfer credit upon admission may be ineligible for additional transfer credits through a LOP.
- LOPs are not issued in cases where the course in question is currently offered at Tyndale.

Waitlist Policy

1. Course enrollment may be limited due to the instructional design of the course or the size of the classroom.
2. Students attempting to register for a course that is full will be placed on the waitlist through online registration or by the Office of the Registrar.
3. All waitlists are compiled and implemented on a first-come, first-served basis. Students seeking to audit a course may be added to the waitlist but will have second priority after credit students.
4. No student will be offered a vacant place unless he or she is on the waitlist.
5. By decision of the Registrar, a student may be placed in a course without regard to the order of the waitlist or the limit. Such matters as degree requirements and immediacy of graduation are factors in these cases.
6. Instructors may not grant permission to students to register for their courses outside of the waitlist process.
7. Instructors may not allow students on the waitlist to attend classes in the hope that openings will occur.
8. The Registrar reserves the right to withdraw a student who is auditing a course up until the end of the add/drop period in order to give the place to a student wishing to take it for credit. In this case, the student withdrawn by the Registrar would receive a 100% refund.
9. Instructors may not allow students to attend a course without being registered either for credit or audit.
10. Enrollment of paying students will take priority over that of free audit students (i.e., graduates).

Withdrawal Policy

- A student who chooses to withdraw from Tyndale University College & Seminary must fill out the Withdrawal Notification Form. Tuition refund is based on the date the completed withdrawal form is submitted to the Registrar.
- For students withdrawing after the last day to drop a course without a transcript record, but before the last day to drop a course, the grade of "W" (withdrawal) will be recorded on the transcript.
- Students who withdraw after the last day to drop a course will normally receive the grade reflective of the evaluated work up to the time of withdrawal. Any student who withdraws

without completing the official withdrawal procedure will have a grade of “F” (fail) recorded for all courses in which he or she was enrolled.

- Appeals will be reviewed as appropriate and must be submitted in writing to the Registrar.
- Up until the end of the add/drop period, registration changes may be made online or in person.
- After the end of the add/drop period, courses may be dropped until the final date for dropping courses (published in the Academic Calendar).
- After the end of the add/drop period, tuition is refunded according to the published refund schedule. There is no refund for the administrative fee. See the Fees and Expenses section for more information.

Classroom Expectations and Guidelines

Attendance Policy

- Three or more unexcused absences from a semester-based course, or one day or more from an intensive course, will constitute grounds for failing that course. Excused absences include death in the family, hospitalization of yourself or a member of your immediate family or a prolonged illness for which you require treatment by a physician. Excused absences will not be granted for late registration, ministry responsibilities, mission trips, etc.
- Attendance in fully online courses is demonstrated through regular log-ins and up-to-date participation in discussion forums.
- As a matter of basic courtesy, Tyndale students will commit to arriving to class on time and returning from class breaks on time.
- If a student knows in advance that he/she will miss a class, the student should notify the professor prior to that class.
- To be present in the classroom, students must register for their courses for credit or audit.

Course Evaluations

At the end of each course, students will be given the opportunity to provide feedback and evaluation on the course. The results of these evaluations are compiled and distributed to the respective instructors and the Academic Dean for consideration. Students are strongly encouraged to complete the Course Evaluation as it is an important aspect of course development and planning.

Every effort is made to ensure the anonymity of the students completing course evaluations, as well as to ensure the integrity of the evaluation process. Therefore, course evaluations will not be made available for Directed Reading and Research courses, theses, or Internships as these are most often one-on-one courses. Students wishing to submit comments or concerns regarding these courses may contact the Office of the Academic Dean.

Course Syllabi

Each course offered at Tyndale Seminary includes a course syllabus that the instructor reviews with students on the first day of the course. The syllabus remains posted online for students to refer to throughout the course. The syllabus contains details including a course description, learning outcomes, course requirements and course assignments and grading. The syllabus will also include information pertaining to the instructor's expectations and guidelines for the submission of work, providing clear instructions of what is expected of a student and the basis for evaluation.

Course syllabi for most courses may be accessed at tyndale.ca/seminary/syllabi.

Examinations

In-course examinations – Faculty members will assign the times for examinations, tests and quizzes in the syllabus. Examinations are to be taken when scheduled. Students who are unable to take such an examination due to illness or emergency must notify the instructor in advance. The instructor will determine rescheduling arrangements.

Final examinations – final examinations will be held during the times stated in the calendar. The Registrar will determine the time and place of these examinations. Final examinations are normally three hours in length.

Examination conflicts – an exam conflict is defined as “two exams at the same time or three exams on the same day.” These are the only criteria for changing a scheduled exam. If there are unusual circumstances, scheduling arrangements within the regular exam period may be considered and approved only by the Registrar.

Students with legitimate examination conflicts must submit an Exam Reschedule Request Form to the Office of the Registrar by the deadline stated on the Exam Reschedule Form. Forms are available at tyndale.ca/registrar. Students will not be able to set their own reschedule date and time, but must accept a rescheduled time from the Office of the Registrar. Please note that early vacation, work schedule and personal plans do not qualify as legitimate exam conflicts. Students are expected to arrange personal plans around the exam schedule.

Gender-Inclusive Language Policy in Written Assignments

The use of gender-inclusive language is an expectation in all written assignments and course requirements at Tyndale Seminary. The motivation behind the use of gender-inclusive language is clarity of communication and the avoidance of terms that are or could be perceived as exclusive or pejorative. Resources and guidelines for gender-inclusive and nondiscriminatory language are available from the Writing Centre.

Late Papers and Extensions Policy

All papers and course assignments must be submitted by the due dates indicated in the course syllabus. Unless the instructor already has a policy on grading late papers in the course syllabus, grades for papers submitted late without an approved extension will be lowered at the rate of two-thirds of a grade per week or part thereof (e.g., from “A+” to “A-,” from “B” to “C+”). Please note that some programs, such as cohort-based or intensive courses, may follow a different policy due to the nature of the program.

Faculty may not grant an extension beyond the last day of exams for the semester. Requests for extensions beyond this date must be addressed in writing to the Registrar by filling out the Extension Request Form, available at tyndale.ca/registrar. The application will be considered only in cases such as a death in the family, medical emergency, hospitalization of oneself or immediate family member or prolonged illness requiring treatment by a physician. Factors such as assignments for other courses, holidays, and technology-related difficulties are insufficient grounds for requesting an extension.

A temporary grade of incomplete (“I”) may be granted by the Registrar. Once an extension is granted, it is the student’s responsibility to contact the instructor and make satisfactory arrangements to complete the outstanding work. A grade of “F” will be recorded for students who do not complete the outstanding work by the deadline.

Academic Grading System

Letter Grades (Affecting Grade Point Average)

Letter Grade	Grade Points	Description	Definition
A+ (90-100%)	4.0	<i>Excellent</i>	Student displays a comprehensive knowledge of the principles and materials treated in the course, fluency in communicating that knowledge, and originality and independence in applying material and principles. The work provides evidence of a significant awareness of and ability to interact with related scholarly literature that goes beyond the requirements of the course. The work exhibits few or no mechanical and stylistic errors. The work demonstrates proficiency in matters of grammar, spelling, sentence and paragraph structure. The student demonstrates an unusual flexibility or inventiveness with words or structure that result in a striking individual style, which is clear and lively in presentation without detracting from the academic nature of the work.
A (85-89%)	4.0		
A- (80-84%)	3.7		

continued

Letter Grade	Grade Points	Description	Definition
B+ (77-79%)	3.3	<i>Good</i>	Work indicates a thorough grasp of the goals for this assignment within the context of the course. The work exhibits few mechanical and stylistic errors and demonstrates a reasonable organization and development of ideas. Ideas are clearly and logically expressed and are well supported by an obvious awareness of the relevant literature with appropriate documentation of all sources.
B (73-76%)	3.0		
B- (70-72%)	2.7		
C+ (67-69%)	2.3	<i>Acceptable</i>	While work displays a sufficient and basic understanding of the principles and materials treated in the course, the expression of that understanding is impeded by any of the following: lack of conceptual organization, lack of development and flow of ideas, inadequate use of and interaction with relevant scholarly literature, inadequate documentation of sources, significant inaccuracies and errors regarding grammar and spelling, significant mechanical and stylistic errors. Performance at this level meets graduation requirements.
C (63-66%)	2.0		
C- (60-62%)	1.7	<i>Poor</i>	Work reveals a lack of understanding or serious misunderstanding of the principles and materials treated in the course. The work lacks a clearly defined thesis and/or fails to support the thesis with appropriate research. The development and flow of ideas throughout the paper are significantly below standard. Sources are not cited appropriately and the work relies mainly on summaries and paraphrases of other people's work. The work contains poor sentence structure and punctuation and generally suffers from a lack of attention to matters of grammar and style. The work is inappropriately shorter or longer than the required length. While a grade of D is not a failure in a particular course (i.e., the professor does not see the need for the student to repeat the course), consistent work at this level would prohibit the student from graduating.
D+ (57-59%)	1.3		
D (53-56%)	1.0		
D- (50-52%)	0.7		
F (0-49%)	0.0	<i>Failure</i>	Student displays inadequate or fragmentary knowledge of the principles and materials treated in the course. The student may have failed to complete the course requirements. The work may contain plagiarized materials.

This grading system applies to the MDiv, MTS, ThM and Graduate Diploma courses. For the Doctor of Ministry program, please see the Doctor of Ministry Handbook.

Other Grades (Not Affecting Grade Point Average)

AG	Aegrotat Standing
AU	Audit – non-credit
CR	Credit Received
I	Incomplete – extension granted by the Registrar
IP	In Progress
NC	No Credit Received
P	Pass
W	Withdrawal

Incomplete Grade

A temporary grade of incomplete “I” may be granted by the Registrar (in consultation with the Dean of Students Life) in cases such as death in the family or medical emergency. Needing more time is not a criterion for an “incomplete.” Once an “incomplete” is granted, it is the student’s responsibility to contact the instructor and make satisfactory arrangements to complete the outstanding work. A student who receives an “I” must complete the work by the extended deadline. A grade of “F” will be recorded for students who do not complete the outstanding work by the deadline.

Academic Policies and Procedures

Academic Appeals

General Academic Appeals

A student may submit a written request to the Academic Planning Committee (APC) on issues of an academic nature. To do so, the student must submit a written request for a review of the issue(s) to the Chair of the APC and include copies of any prior correspondence with Seminary personnel. Upon receiving an unfavourable decision from the APC, a student may appeal to the Academic Dean on matters of process only.

Appealing a Grade on an Assignment

A student may informally contest a grade for an assignment by discussing it with the professor within 14 days of receiving the grade. If this does not bring about satisfactory resolution, the student may bring the matter to the attention of the department head, who will then discuss it with the professor. The department head may choose to have the assignment marked by another faculty member. If the department head is the professor in question, the student will discuss the matter with the Academic Dean. The decision of the Academic Dean will be final.

Appealing a Final Grade in a Course

A student may informally contest a grade by discussing it with the professor upon receipt of the grade. If this does not bring about satisfactory resolution, a student may formally contest a final grade within 14 days from the date the grade was posted. The procedure is:

1. The student will submit to the professor, in writing, the reasons for contesting the grade.
2. The professor will respond in writing to the student within 10 days.
3. If this does not bring about satisfactory resolution, the student may take his/her grievance to the Academic Planning Committee (APC), who will rule on the matter. To do this, the student must submit a written request for a review to the Chair of the committee and include a copy of the student's statement to the professor and the professor's response.
4. If a student feels that he or she can demonstrate a grade discrepancy of at least one letter grade, he or she may appeal to the APC.
5. The Committee's decision is final.

Academic Honesty

Tyndale expects students to conform to the highest standard of ethics in the completion of all assignments. Academic dishonesty is a serious matter.

Honesty in written and verbal assignments requires a balance between using words and ideas that are part of the common domain and careful ascription of borrowed ideas and words. Ideas and words of others may be used only with acknowledgment. Failure to do so is plagiarism, the literary version of stealing.

The most obvious form of plagiarism is the direct quotation of words without quotation marks, parenthetical ascription, footnotes or endnotes. Less obvious forms of plagiarism consist of paraphrases of another person's words and the use of an opinion with no reference to the source.

Academic dishonesty also includes the submission of work for which previous credit was given, the submission of work under one's own name that is largely the result of another person's efforts, aiding another's dishonesty, cheating on exams and giving false information for the purpose of gaining admission, credits, etc.

The submission of one paper for two courses is not permitted. Approval of faculty is required for an expanded paper, on a project common to two courses of study, to be acceptable.

Consequences of Academic Dishonesty

If a student is suspected of academic dishonesty, the following steps will be taken:

1. The professor will meet with the student to discuss the situation and consult with the Academic Dean or designate. The Dean of Student Life may be informed.

2. If deliberate dishonesty has been established, a mark of zero will be given for the assignment or the exam. Other instances of academic dishonesty will be dealt with on an individual basis.
3. When a penalty for academic dishonesty has been imposed, the student will be referred to the Dean of Student Life for follow-up. The Office of the Registrar will be informed that a penalty for academic dishonesty has been imposed and a notation will be made in the student's file.
4. If a second instance of academic dishonesty occurs, the student faces expulsion. The matter will be brought before the Academic Planning Committee for adjudication.
5. An appeal may be made by following the Academic Appeals procedure.

Academic Probation and Suspension

Academic probation provides a mechanism whereby students who may be struggling with their course work can be identified and monitored with appropriate counsel in the following semesters. The following guidelines provide the basis for dealing with academic probation:

Probationary Status - On Admission

Probationary status may be assigned on admission to students whom the Admissions Committee deems in need of academic support and monitoring. Any student admitted with less than the required grade point average in their previous degree ("C+" or 2.3) will automatically be placed on probation. Students entering on "special admission" status will automatically be placed on probation.

Probationary Status - Current Students

1. The Registrar automatically assigns academic probation to students whose cumulative Grade Point Average (GPA) falls below 2.0 ("C"), or who have more than one failed course, after the completion of one semester (four courses).
2. The Registrar will inform such students in writing that they are being placed on academic probation and will also notify the Academic Dean and Dean of Student Life.
3. Students on academic probation will not normally be allowed to undertake more than three courses in the next semester and must maintain a "C" average with no failures.

Removal of Probationary Status

1. Probationary status is reviewed at the end of each semester once final grades are received.
2. Academic probation may be removed after the equivalent of one semester (4 courses) with at least a "C" average (2.0) and with no failing grades.
3. Students who fail to meet the criteria for the removal of probation after two consecutive semesters will have their status reviewed by the Academic Dean or designate. Possible consequences include denial of permission to register for further courses.

Academic Suspension

1. Students whose semester Grade Point Average (GPA) falls below 1.0 (“D”) will not be allowed to take courses for one year, after which they may apply for readmission to the school.
2. This application process will include a letter outlining reasons why the student thinks he/she should be allowed to return, two letters of reference and a personal interview with the Dean of Student Life.
3. Credit for courses taken elsewhere during this period of academic suspension will not be applied to the student’s studies at the Seminary.
4. The Registrar will notify students of their status and relevant procedures.

Graduation Requirements

Academic – Graduating students in MDiv, MTS and Graduate Diploma are required to have a passing grade in all subjects as prescribed in their program and have a cumulative Grade Point Average (GPA) of at least 2.0.

Graduating students in ThM are required to have at least a B- grade in all the eight required courses as prescribed in the program and have a cumulative Grade Point Average (GPA) of at least 3.0.

Graduating students in DMin are required to have a cumulative Grade Point Average (GPA) of at least 3.0.

Notification – Students must complete an Intention to Graduate form by the published deadline in order to graduate at the spring or fall convocation. No additions to the list of graduating students will be made after the deadline.

Convocation Ceremony – Graduating students are expected to attend. Those graduating students who are unable to attend are required to inform the Office of the Registrar.

Exit Interviews – Feedback from graduating students is vital to the Seminary’s annual evaluation process. Students are expected to meet with their major/program coordinator for an exit interview and complete the Graduating Student Questionnaire.

Outstanding Fees – Graduating students must ensure that all outstanding tuition fees and library fines are paid in full and all library books are returned.

Intellectual Property Policy

The objectives of this Intellectual Property (hereafter IP) Policy (hereafter Policy) are:

- a. To encourage any member of Tyndale University College & Seminary (hereafter Tyndale) who may have created or discovered IP to share that property with the public in a manner that is beneficial to the member and to the mission of Tyndale;
- b. To determine the ownership of IP created by members of Tyndale;
- c. To clearly outline the obligation for costs in the development of IP and the division of revenues derived from such IP; and
- d. To provide for the rights and obligations of Tyndale and its members in relation to IP.

The meaning of the following terms pertain specifically to this Policy:

Author means members of Tyndale's faculty staff, or administration, students of Tyndale (student) and third parties (e.g. visitors and contractors) who create, write or discover any IP.

Commercialize means to make a work available outside of the institution on a for-profit basis, but does not include publication or distribution of books by faculty members.

Copyright has the meaning prescribed by the Copyright Act.

Copyright Act means the Canadian Copyright Act (R.S.C. 1985, c. C-42), as amended, or any related succeeding legislation.

Intellectual Property includes:

- A. any and all proprietary rights provided under:
 - a. patent law;
 - b. copyright law;
 - c. trademark law;
 - d. design patent or industrial law; or
 - e. any other statutory provision or common law principle applicable to the Policy or the IP which may provide a right in:
 - i. ideas, designs, formulae, algorithms, concepts, processes, materials, trade secrets, discoveries, inventions; or
 - ii. the expression or use of such ideas, formulae, algorithms, concepts, processes, materials, trade secrets, discoveries, inventions or know-how; and
- B. any and all applications, registrations, licenses, sub-licenses, franchises, agreements or any other evidence of a right in any of the foregoing; and
- C. all other products of research and scholarship where any of the foregoing are created; whether by discovery, invention or otherwise by an Author.

The responsibility for the administering the Policy lies with the President of Tyndale. The President may find it necessary to form an IP Committee to oversee the implementation of the Policy.

The IP Committee shall establish its own rules of procedure. Such rules will provide that the IP Committee acts in accordance with the rules of natural justice when executing decisions.

The duties of the IP committee shall include:

- a. The recommendation to the Board of Governors of any revisions required to this or any other Tyndale policy relating to IP;
- b. The resolution of issues of disputed discovery among two or more Authors of the same IP or the division of income between Authors;
- c. The resolution of any other issues relating to the commercialization of IP at and outside Tyndale; and
- d. The recommendation to the President of the manner in which income earned by Tyndale from IP should be allocated.

All Tyndale Authors are subject to the Policy.

- a. The Author shall be the owner of all newly created, written or discovered IP. The benefits that may accrue to the Author may be limited only by the terms of the external contracts and licensing agreements.
- b. Tyndale shall make no claim to the proceeds of publication for which it has provided no more than normal academic facilities. Whenever a publication subsidy is made, Tyndale shall stipulate at the time it offers the subsidy if it wishes to negotiate a claim to royalties that may accrue from publication thus supported; and if it does not, it shall be deemed to have waived any claim to royalties or other income.
- c. Certain agreements (such as grants, sponsorships, research and affiliation agreements) have been or will be entered into by Tyndale with third parties. Such agreements may contain provisions whereby IP is transferred, assigned, licensed or otherwise disposed of to such third parties. The provisions of such agreements shall supersede the Policy.
- d. Faculty members may be requested by Tyndale to develop Distance Education courses (and other forms of nontraditional learning). At such time, the faculty member will be contracted for this work. The provisions of such agreements shall supersede this Policy.
- e. Tyndale maintains the right to utilize syllabi prepared by faculty in the normal course of their teaching for consultative purposes in the ongoing development and refinement of courses. In such cases, the Authors agree to waive all moral rights that he or she may have in favour of Tyndale.

The IP Committee will handle questions regarding the application, interpretation or implementation of the policy, or regarding disagreement among creators concerning assignment of rights or sharing of royalties. Disagreement with any determination made by the IP Committee may be directed to the President for a final determination.
