

Fees and Expenses

Tyndale University College & Seminary is an independent, not-for-profit, trans-denominational institution that reviews its fee structure each year. Its independent status means that it does not receive denominational support and government funding. The cost of education is therefore subsidized by other income, including substantial donations from the Christian community. The following tuition fees and expenses are effective May 1, 2013, through April 30, 2014.

Tuition Deposit

All new students (except those in the BEd or DMin programs) must submit a one-time \$300 deposit by August 1 if they start in the fall semester and December 1 if they start in the winter semester. The deposit is non-refundable and will be credited toward tuition fees in the following semester.

Residence Deposit

A Residence Deposit of \$200 is held on file until the student leaves residence. It is non-refundable and non-transferable after August 1 for the fall semester and December 1 for the winter semester, whether or not the applicant enrolls. When a student moves out, his or her deposit can be returned to the student provided that the student's account is in good standing. Furthermore, there must be no damages in the student's room and no other infractions must have occurred. If a student is returning to residence the next academic year, the deposit may be kept on file and carried forward to the next academic year.
