

## Parsing Practise: μι verbs

|            | tense | voice | mood | person | number | gender & case | lexical form |
|------------|-------|-------|------|--------|--------|---------------|--------------|
| ἑστάθη     |       |       |      |        |        |               |              |
| τιθέασιν   |       |       |      |        |        |               |              |
| δώσω       |       |       |      |        |        |               |              |
| δείκνυσιν  |       |       |      |        |        |               |              |
| σταθήσεται |       |       |      |        |        |               |              |
| δειχθέντα  |       |       |      |        |        |               |              |
| ἑστώτες    |       |       |      |        |        |               |              |
| ἔθηκαν     |       |       |      |        |        |               |              |
| δότη       |       |       |      |        |        |               |              |
| δείξον     |       |       |      |        |        |               |              |
| δόντα      |       |       |      |        |        |               |              |
| ἔδωκεν     |       |       |      |        |        |               |              |
| δείξατε    |       |       |      |        |        |               |              |
| ἑδίδου     |       |       |      |        |        |               |              |
| ἔθηκεν     |       |       |      |        |        |               |              |
| θήσω       |       |       |      |        |        |               |              |
| δέδοται    |       |       |      |        |        |               |              |
| ἔφη        |       |       |      |        |        |               |              |
| τίθησιν    |       |       |      |        |        |               |              |
| φήσιν      |       |       |      |        |        |               |              |
| δείξει     |       |       |      |        |        |               |              |
