

# Administration of Tuition Aid Bursaries

- Tuition Aid Bursary funds will be applied directly toward the recipient's student account (through the Student Financial Services Office).
- All awarded Tuition Aid Bursaries are paid out in 50% installments per semester (Example: A recipient awarded a Tuition Aid Bursary with a total of \$1,000 will receive \$500 for the fall semester and \$500 for the winter semester).
- Tuition Aid Bursary amount will be prorated to half of the eligible amount if the student is enrolled part-time.
- In the case a student is enrolled full-time in one semester and part-time in another, they will receive the full-time or part-time portion of the Tuition Aid Bursary in their respective semesters (Example: A recipient is eligible for a \$900 Tuition Aid Bursary and is enrolled full-time in the fall semester and part-time in the winter semester. The student will receive \$450 in the fall semester and \$225 in the winter semester.)
- Course load status will be assessed per semester.
- Unawarded Tuition Aid Bursary amounts cannot be carried forward to a future semester or academic year.
- Availability and amount of these Tuition Aid Bursaries may vary from year to year.
