What if I am applying for a government loan?

If you are applying for a government loan (e.g., OSAP), please complete your application and submit all required documents to the Student Financial Services office by August 21. If there are no required documents needed, please notify Student Financial Services that you have applied for government loan, so we can help monitor the status of your funding. If your application is submitted on time, you will not be required to submit a minimum payment. We encourage you to apply for the loan as early as possible, as it can take 8-10 weeks to process. Please note that if you are waiting for your government loan and have not received it by October 30, you will still be responsible for clearing your tuition balance by the final payment deadline on October 30.

Yes, you will be emailed a reminder for the payment deadlines to your MyTyndale email account approximately 2 weeks before the deadline. These emails are sent as a courtesy and must not be relied upon. It is the responsibility of the student to adhere to the scheduled deadlines. Deadline dates can be found on mytyndale.ca.

If I drop a course, will I get a refund?

Your refund will be subject to the refund schedule that can be found [online](#).

RESIDENCE

Does my residence deposit go towards my residence fees?

No, your residence deposit is a security deposit that will be set aside during your stay in residence. The deposit can be returned to you after moving out of residence, provided that there are no outstanding fees on your student account.

FINANCIAL AID

Where do I go for financial assistance (e.g. bursaries, scholarships)?
