Please refer to the payment schedule for more details. We encourage you to come to the Student Financial Services office to discuss any further questions or concerns related to payment.

What if I am applying for a government loan?

If you are applying for a government loan (e.g., OSAP), please complete your application and submit all required documents to the Student Financial Services office by December 11th. If there are no required documents needed, please notify Student Financial Services that you have applied for government loan, so we can help monitor the status of your funding. If your application is submitted on time, you will not be required to submit a minimum payment. We encourage you to apply for the loan as early as possible, as it can take 8-10 weeks to process. Please note that if you are waiting for your government loan and have not received it by February 26th, you will still be responsible for clearing your tuition balance by the final payment deadline on February 26th.

Tuition tax receipts (T2202 & T4A) for the calendar years 2010-2019 are available through your MyTyndale account. 2020 tax receipts will be available on MyTyndale in February 2021. Students who live on-campus are not eligible to claim residence payments for the property tax credit on their taxes as Tyndale does not pay municipal taxes.
