

**STEP 1: WHO CAN APPLY FOR OSAP: ONTARIO STUDENT ASSISTANCE PROGRAM?**

To apply for OSAP, you must:

- Be a Canadian citizen, Permanent Resident or Protected Person (Convention Refugees)
- Be an Ontario resident (must have resided in Ontario for the last 12 consecutive months without being a full-time student at a post-secondary institution)
- Be enrolled in an approved program of study (all Tyndale degree programs are approved by OSAP)

You can apply for **Full-Time** or **Part-Time** OSAP depending on your course load in the Fall and Winter semesters:

- Every 3-credit hour course carries a 20% course load
- Spring/Summer courses are not eligible for OSAP
- For students with a permanent disability, a course load of at least 2 courses (40%) per semester will be considered a full-time course load.

Course load	OSAP Application	
3 courses (60%) or more in Fall <u>AND</u> 3 courses (60%) or more in Winter	Full-Time for both Fall and Winter (one application)	
3 courses (60%) or more in semester A and up to 2 courses (40%) in semester B	Full-Time for semester A	Part-Time for semester B
1-2 courses (20-40%) in Fall <u>AND</u> 1-2 courses (20-40%) in Winter	Part-Time for both Fall and Winter (needs separate applications if course loads are different in Fall and Winter)	

**OSAP FUNDING FOR ONLINE COURSES (NEW CHANGES JANUARY 2021)**

Effective as of January 2021, OSAP eligibility will no longer be restricted by delivery method. Students do not need to keep an in-person and online course ratio to receive OSAP.

**STEP 2: COMPLETE AND SUBMIT YOUR OSAP APPLICATION**

- Apply online at [www.ontario.ca/OSAP](http://www.ontario.ca/OSAP). Returning users can access their OSAP account by entering their OAN and password. First-time users must register to receive an OSAP Access Number (OAN) and create a password. You will need your Social Insurance Number (SIN) to create your OSAP account.
- Students can request a temporary password or retrieve their OAN from the ministry by calling the OSAP general inquiry line at 1-877-672-7411 to have the information recovered over the phone. Telephone service is available Monday to Friday, 8:30 AM – 4:30 PM.
- All students should submit their application and supporting documents **2 months prior to the start of the program** to give their application the best opportunity to be processed and approved by the start of the program.
