### **1. COURSE DESCRIPTION**

This course explores radical discipleship practices drawn from revivals in our generation, aiming to develop a lifestyle of obedience to Jesus Christ's Great Commission to disciple all nations. Based on Jesus' public ministry, participants will learn and practice 12 strategic tools for living a Kingdom life through the framework of one foundation (GRACE), four fields (GO–GOSPEL–GROW–GATHER), and one focus (GUIDE). The course prepares participants to engage diverse ethnic and religious groups in urban mission contexts—building relationships, sharing the gospel, discipling others, planting churches, and raising new leaders—so they can begin living out the Kingdom life in their own communities.

### **2. COURSE OBJECTIVES**

The Kingdom life is a life governed by God's grace. It means living by faith in the truth of the gospel fulfilled in Christ Jesus, empowered by the Holy Spirit in everyday life. This course equips participants to live as everyday missionaries by learning and practicing 12 strategic tools of radical discipleship—rooted in revivals of our generation—within the framework of GRACE–GO–GOSPEL–GROW–GATHER–GUIDE. Upon completion of this course, we anticipate that students will:

- a. Develop a Kingdom mindset that influences personal life, ministry, and community.
- b. Follow Kingdom life pattern that guides daily life.
- c. Grow as disciple and leader who can train others.
