

# Department of History and Global Studies

*Dr. Brad Faught, Chair*

*Dr. Eric Crouse*

The Bachelor of Arts in History and Global Studies involves studying the past in a scholarly manner as a means of understanding the present in a more complete way. Critical thinking, communication skills and research skills are fostered by the study of history at the university level. Studying history is excellent preparation for a wide variety of professions, including law, education, divinity and journalism, as well as for any endeavour for which a broad liberal arts education is desirable. The major in History and Global Studies also prepares students for graduate studies in history.

A Bachelor of Arts Honours degree in History and Global Studies is also offered. Students majoring in History and Global Studies may apply to this program in the winter semester of their second year. See below for specific additional degree requirements.
