*Notes:*

1. All applications to the MDiv Counselling major (both new students and students transferring from another program) must be received by April 15 of each year. Admission criteria includes relevant academic training, vocational goals that align with the program and any counselling-related experience. All applicants will be interviewed by the counselling faculty in May or June. Acceptance notifications will be released by the end of June.
2. This program admits students in the fall semester only. Students who are accepted to the Seminary during other times in the year may take courses in Bible, History and Theology and those counselling courses that are unrestricted. Students who then wish to transfer into the Counselling Major must complete the change of program form and supplemental form in the Office of the Registrar before April 15, and must pass an interview in May or June.
3. A two-semester internship in a counselling setting (approximately 20 hours per week) is required of all students in the Clinical track in the third year of the program. Second-year students prepare for the internship by taking a counselling skills lab, three hours per week, in both semesters of the academic year.
