The mission of Tyndale Seminary is to provide Christ-centred graduate theological education for leaders in the church and society whose lives are marked by intellectual maturity, spiritual vigour and moral integrity, and whose witness will faithfully engage culture with the Gospel.

I. COURSE DESCRIPTION

This course examines the theological principles and practical ministry strategies involved in evangelism and discipleship. Several models of evangelism and discipleship will be explored, including both the content and the methods. Valuable for anyone in ministry who has the final goals of evangelism and discipleship.

II. LEARNING OUTCOMES

At the end of the course, students will be able to:
1. Summarize and explain how the gospel is the good news that transforms humanity through their interaction with the texts, in class exercises, and through developing their personal story.

2. Clearly construct and describe, in language comprehensible to non-Christians,: (a) an overview of the Biblical story, (b) the gospel of Jesus Christ, and (c) the mission of the Church as a result of an in-class exercise and Bible story project.

3. Articulate the theological implications concerning human and divine partnership in the process of salvation and discipleship as a part of their personal story and the final integrative project (part 1).

4. Construct several tools for sharing the faith and encourage discipleship in both individual and group settings through the Bible story project and the final integrative project (part 2).

III. COURSE REQUIREMENTS

A. REQUIRED READING:

B. SUPPLEMENTARY / RECOMMENDED READING:

Tyndale recommends www.stepbible.org – a free and reputable online resource developed by Tyndale House (Cambridge University) – for word searches of original-language texts, as well as for topical searches, interlinear texts, dictionaries, etc. Refer to the library for other online resources for Biblical Studies.
C. ASSIGNMENTS AND GRADING

NOTE: Assignments are due on Fridays (rather than Wednesdays) to avoid the temptation of missing a class in order to complete an assignment.

1. Class Engagement (Preparation and Participation): 10% of final grade.
   Preparation:
   - Read (prior to class) the biblical passage to be explored that day and the assigned reading for that class, come ready to discuss.
   - For Discussion of Assigned Reading: Be prepared to share the thesis of the reading, 2-3 ideas, your response to the reading and/or possible application

   Participation: Every absence and lateness will lower this grade and more than 3 unexcused absences are grounds for course failure. See the Academic Calendar for the excused absence policy.

2. Personal Testimony/Salvation Story: 20% of final grade.
   Length: 5-6 pages
   Date due: October 11th
   Take a look at one of the recommended conversion stories. Write your own salvation story for a non-believing reader or audience. In light of our discussions in class, choose a theme to help you examine how your own story interacts with the story of Jesus. This requirement related to outcomes 1 and 3.

3. Bible Study Project: 30% of final grade.
   Length: 7-8 pages
   Date due: November 8th
   Choose from the gospels three encounters Jesus had with people. Plan a short (30 to 45 minute) study on each passage and then invite one person you know, who isn’t a Christian, to read and talk about these encounters with you. Write a paper based on the conversations that occurred during these studies.
   The first part of the paper should briefly describe what passages you studied, why you chose these passages, and the questions you chose to discuss together. Next, reflect and comment on the conversation that occurred during each of these sessions. How did you feel they went? What was your friend’s response? Were there surprises for you? What did you learn from the conversations? What are you learning about the process of evangelism and discipleship. Say something about each of the studies. Finally, reflect on these conversations in the light of the course material. This requirement relates to outcomes 2 and 4. Reports will be shared and discussed in class on November 27th.

4. Integrative Project: 40% of final grade.
   Length: 12 pages
   Date due: December 6th
   This project, relating to outcomes 3 and 4, will be a written compilation of two parts. In total it will be 12 pages long:
Part 1. Write a 6 page reflection on the theological implications of evangelism and discipleship. Using the textbooks, outside sources, and our classroom discussions based on conversion stories in Luke-Acts, explain your current theological understanding of evangelism, conversion, and discipleship. What is God’s role and what is ours?

Part 2. For the second part create a presentation, sermon, or teaching session as a way to practically apply your theological understanding.

Choose One of the following:

a) Write a 6 page, double spaced, sermon to be given at the funeral for a twenty-something (sporadically attending) member of your church killed in a car accident, whose funeral will be attended by many of their non-Christian friends.

b) Devoting 2 pages per session (6 pages total), plan three evening sessions for members of your church (specifically youth) wanting to learn better how to share the Christian faith. Describe your pedagogical approach (i.e. lecture, bible study, prayer, discussion, reflective exercise, case-study, role play) and tools (i.e. narratives, a/v aids, packaged programs), and a lesson plan for each session that includes learning goals (i.e. linking prayer and evangelism), key points, biblical texts, exercises.

c) Write a 6 page lesson plan for a 2 hour grade 11 comparative religions class at which you will present the most central aspects of the Christian faith to a classroom of predominantly unchurched teenagers. Describe your learning goals, pedagogical approach, tools, key points, biblical texts and exercises.

D. EQUITY OF ACCESS

Students with permanent or temporary disabilities who need academic accommodations must contact the Accessibility Services at the Centre for Academic Excellence to register and discuss their specific needs. New students must self-identify and register with the Accessibility Office at the beginning of the semester or as early as possible to access appropriate services. Current students must renew their plans as early as possible to have active accommodations in place.

F. GENERAL GUIDELINES FOR THE SUBMISSION OF WRITTEN WORK
Your work should demonstrate the following characteristics: All papers should meet graduate level academic standards of Tyndale. Be sure to proofread your work for spelling, proper grammar, and adequate citation.

For proper citation style, consult the Chicago-Style Quick Guide (Tyndale e-resource) or the full edition of the Chicago Manual of Style Online, especially ch. 14. For citing scripture texts, refer to sections 10.44 to 10.48 and 14.238 to 14.241.

**Academic Integrity**

Integrity in academic work is required of all our students. Academic dishonesty is any breach of this integrity, and includes such practices as cheating (the use of unauthorized material on tests and examinations), submitting the same work for different classes without permission of the instructors; using false information (including false references to secondary sources) in an assignment; improper or unacknowledged collaboration with other students, and plagiarism. Tyndale University College & Seminary takes seriously its responsibility to uphold academic integrity, and to penalize academic dishonesty.

Students are encouraged to consult writing resources.

Students should also consult the current Academic Calendar for academic polices on Academic Honesty, Gender Inclusive Language in Written Assignments, Late Papers and Extensions, Return of Assignments, and Grading System.

**Research Ethics**

All course-based assignments involving human participants requires ethical review and approval by the Tyndale Research Ethics Board (REB). Check with the Seminary Office (Room B302; aau@tyndale.ca) before proceeding.

**G. COURSE EVALUATION**

Tyndale Seminary values quality in the courses it offers its students. End-of-course evaluations provide valuable student feedback and are one of the ways that Tyndale Seminary works towards maintaining and improving the quality of courses and the student’s learning experience. Student involvement in this process is critical to enhance the general quality of teaching and learning.

Before the end of the course, students will receive a MyTyndale email with a link to the online course evaluation. The link can also be found in the left column on the course page. The evaluation period is 2 weeks; after the evaluation period has ended, it cannot be reopened.

Course Evaluation results will not be disclosed to the instructor before final grades in the course have been submitted and processed. Student names will be kept confidential and the instructor will only see the aggregated results of the class.
