## I. COURSE DESCRIPTION

All Counselling Major students will be assigned to an internship during their final year. The internship will consist of a minimum of **450 total hours** over a minimum of two semesters. The internship provides students with an opportunity to put into practice, in a real-world setting, what they have learned from the classroom experience. This practical experience, along with the wisdom and expertise of the supervisor, will further enhance the growth and development of each student, personally and professionally. Students will **complete 450 hours** during the internship, with a minimum of **150 hours in direct contact with clients** and a minimum of **30 hours of clinical supervision**. Students typically complete their internship requirements within an 8 – 12 month period, but the internship can be extended up to 24 months.

Tyndale’s M.Div. & MA Clinical Counselling major program and the clinical experience (CE) are approved education/training programs for the College of Registered Psychotherapists of Ontario (CRPO). Consequently, students’ internship clinical experience (CE) must consist of the practice of psychotherapy as the core of their direct client contact (DCC) hours. In addition, students must receive clinical supervision from an appropriately trained and experienced clinical supervisor who meets the criteria of a “Clinical Supervisor” as described by the CRPO. ([www.crpo.ca/supervision/](http://www.crpo.ca/supervision/)).

- Registration **cannot be done online**. Students must register for COUN 0701 by using the “Registration in a Non-Classroom Course” form located at [Office of the Registrar – Seminary Forms](#).
- Students do not need to have the Internship Coordinator sign the non-classroom course form because once a student communicates to the Internship Coordinator that they have been accepted at an internship site, the Coordinator informs the Registrar’s Office of the student’s approval to register. The Registrar’s approval list is usually updated within one week of being notified of the student’s internship acceptance.

### **Note: If you are taking a CASC (CPE/PCE) Unit for your internship**

1. Students must consult with Counselling Internship Program Coordinator for specific information and procedure for registering in the internship course. The CASC unit registration process differs depending on where one does the CASC unit.
2. Students are not required to participate in the regularly scheduled internship reflection groups, as similar reflections are inherent in the CASC course unit.

- Organization's policies and procedures
- All operational rules and guidelines
- Completion of at least **450 internship hours**, of which a **minimum of 150 must be direct client contact (DCC)** hours and a **minimum of 30 clinical supervision** hours.

#### Planning the Length of Your Internship (Example)

  - 6 hours per week direct client contact (DCC) = (156 hrs)
- 3 Semesters – 39 weeks
  - 12 hours per week (total time) = (468 hrs)
  - 4 hours per week direct client contact (DCC) = (156 hrs)

**Note 1:** *Students do not usually START at 6 DCC hours per week. You will need a higher weekly average to complete 150 hours in two semesters. Also, you need to account for no-shows and snow days.*

**Note 2:** *To extend an internship...*

- a) *Beyond 1 year – need approval from the Internship Coordinator*
- b) *Beyond 2 years – need approval (and additional fees may apply) from Registrar’s Office*

**Note 3:** *Selected sites should be free from conflicts of interest*

## **B. INTERNSHIP ASSIGNMENTS AND DOCUMENTATION**

### **1. Site Agreement**

Once a student is accepted at an internship site, the intern must ensure that the site supervisor (and external clinical supervisor, where applicable) complete the Internship Site Agreement. This is the formal agreement between the student, site, supervisor(s), and Tyndale for the student internship placement.

**Due date:** *Within 4-weeks of start of internship.*

### **2. Learning Contract**

Together with the supervisor(s), interns will formulate an individualized learning contract that identifies specific learning goals for the internship and a plan for achieving the goals.

**Due date:** *Within 4-weeks of start of internship.*

### **3. Supervisor Evaluations**

In consultation with the intern, the on-site administrative/clinical supervisors and/or external clinical supervisor (as is applicable) must complete the supervisor evaluation form at the end of each semester the student is engaged in the internship.

In settings where there is a separate external clinical supervisor, both the on-site administrative supervisor and the external clinical supervisor must complete separate evaluation forms. Each supervisor will complete the sections relevant to the scope of supervision provided to the student. The supervisor will indicate “N/A” for the sections or items on the form which do not relate to the area of supervision that particular supervisor covers.

**Due by the Semester-end Due Date** for each semester of the student’s internship. For specific dates, see **Assignment and Evaluation Summary Table in Section H.**

### **4. Check-In Meetings: Internship Coordinator, Intern and Supervisor(s)**

To facilitate proactive support for students while in their internship, each student is required to arrange one Check-In (Zoom) meeting with their onsite supervisor (and external clinical

supervisor, where applicable), the Internship Coordinator and the student him/herself. This **Check-in Meeting must be held 3-4 months after the student starts the internship.**

Students are responsible for contacting the Internship Coordinator at least 2-3 weeks before the meeting will be held to schedule the specific date and time for the meeting. **Please refer to “Class Information” section on the first page of this syllabus for days and times the Internship Coordinator/Instructor is generally available for these meetings.**

Please note that students have the responsibility to contact the Internship Coordinator outside of these scheduled meetings, if any issues or concerns arise with their internship process or progress.

## **5. Total Internship Hours Record**

At end of the internship, students are required to complete and submit the Total Internship Hours Record form.

**Due by the Semester-end Due Date** in which the student completes the internship. For the specific date, **see Assignment and Evaluation Summary Table in Section H.**

At the end of the internship, students are required to complete and submit the CE form. **Due by the Semester-end Due Date** in which the student completes the internship. For the specific date, **see Assignment and Evaluation Summary Table in Section H.**

## **7. Site and Supervisor Evaluation**

At the end of the internship experience, students are required to complete and submit an evaluation of the internship site and supervisor(s).

### **C. REFLECTION SEMINARS:**

As an ATS (Association of Theological Schools) accredited school, it is required that all students who are involved in a Tyndale internship meet during each semester, in small groups, to reflect on the internship experience. The seminar is an opportunity to reflect together on the process of integrating faith/spirituality, learning, and your clinical development.

Each student must **attend one (1) reflection session in each semester during the internship.** The reflection sessions are structured based on the assumption that students will complete their internship over two semesters. Students who will complete their internship over three or more semesters, will attend the reflection session in each semester and prepare for peer discussions as appropriate.

The content of a student's presentation in each reflection session will be based on whether a student is in their **first or final** semester as follows:

#### **1. First Semester Presentation:**

Each student will prepare a one-page summary of the following and prepare to discuss in your small groups (**A copy must be uploaded to your Moodle course assignment page**). Topics include:

- a) Your personal conceptualization of what it means to integrate faith/spirituality/religion into psychotherapy
- b) What practical steps you have taken in the therapeutic process to intentionally include (implicitly or explicitly) this integrative concept into your clinical assessment, conceptualization and interventions in relation to the client's presenting issue(s). Also, note any ethical considerations or issues
- c) What challenges and/or successes have you had in doing systemic psychotherapy from this integrative stance?
- d) Consider a specific question you would like to explore with the group

#### **2. Final Semester Presentation:**

Each student will prepare a one-page summary of two topics of your choice from your capstone paper (details in next section) and prepare to discuss these in your small groups. **A copy must be uploaded to your Moodle course assignment page.**

This requirement is related to learning outcome #s: 2, 3, 5, 10, 14.

Therefore, we ask our students to be charitable and respectful in their interactions with each other, and to remain focused on the topic of discussion, out of respect to others who have committed to being a part of this learning community. ## **D. GUIDELINES FOR THE SUBMISSION OF WRITTEN WORK**

### **Grading Rubric**

Please consult the rubric provided for each assignment on your course resource page at [classes.tyndale.ca](#).

### **Academic Integrity**

Integrity in academic work is required of all our students. Academic dishonesty is any breach of this integrity and includes such practices as cheating (the use of unauthorized material on tests and examinations), submitting the same work for different classes without permission of the instructors; using false information (including false references to secondary sources) in an assignment; improper or unacknowledged collaboration with other students, and plagiarism (including improper use of artificial intelligence programs). Tyndale University takes seriously its responsibility to uphold academic integrity, and to penalize academic dishonesty. Please refer to the [Academic Integrity website](#) for further details.

For proper citation style, consult [Citation Guides](#) for different styles. Students are encouraged to consult [Writing Services](#).

Students should also consult the current [Academic Calendar](#) for academic policies on Academic Honesty, Gender Inclusive Language in Written Assignments, Late Papers and Extensions, Return of Assignments, and Grading System.

### **Turnitin Text-Matching Software**

Tyndale has a subscription to Turnitin, a text-matching software that ensures the originality of academic writing and verifies the proper citation of all sources. The instructor for this course will use Turnitin for assignments submitted through your course resource page at [classes.tyndale.ca](http://classes.tyndale.ca). Upon submission, you will receive a summary that includes your submitted files along with a similarity report generated by Turnitin. Please be aware that Turnitin can also detect AI-generated content from tools like Grammarly, so students should be mindful of when using such software. It's advisable to confirm with your instructor before using any AI tools into your assignments. Below are some useful resources:

- [Student](#) Guides for Turnitin via [classes.tyndale.ca](http://classes.tyndale.ca) course resource page
- Interpreting Similarity ([Guide](#), [Video](#), [Spectrum](#))

### **Research Ethics**

All course-based assignments involving human participants requires ethical review and may require approval by the [Tyndale Research Ethics Board \(REB\)](#). Check with the Seminary Dean's Office ([seminaryoffice@tyndale.ca](mailto:seminaryoffice@tyndale.ca)) before proceeding.

### **Late Papers and Extensions Policy**

All papers and course assignments must be submitted by the due dates indicated in the course syllabus. Unless the instructor already has a policy on grading late papers in the course syllabus, grades for papers submitted late without an approved extension will be lowered at the rate of two-thirds of a grade per week or part thereof (e.g., from "A+" to "A-," from "B" to "C+"). Please note that some programs, such as cohort-based or intensive courses, may follow a different policy due to the nature of the program.

Faculty may not grant an extension beyond the last day of exams for the semester. Requests for extensions beyond this date must be addressed in writing to the Registrar by filling out the [Extension Request Form](#). The application will be considered only in cases such as a death in the family, medical emergency, hospitalization of oneself or immediate family member or prolonged illness requiring treatment by a physician. Factors such as assignments for other courses, holidays, and technology-related difficulties are insufficient grounds for requesting an extension.

A temporary grade of incomplete ("I") may be granted by the Registrar. Once an extension is granted, it is the student's responsibility to contact the instructor and make satisfactory arrangements to complete the outstanding work. A grade of "F" will be recorded for students who do not complete the outstanding work by the deadline.

## **E. COURSE EVALUATION**

Tyndale Seminary values quality in the courses it offers its students. End-of-course evaluations provide valuable student feedback and are one of the ways that Tyndale Seminary works towards maintaining and improving the quality of courses and the student's learning experience. Student involvement in this process is critical to enhance the general quality of teaching and learning.

Before the end of the course, students will receive a MyTyndale email with a link to the online course evaluation. The link can also be found in the left column on the course page. The evaluation period is 2 weeks; after the evaluation period has ended, it cannot be reopened.

Course Evaluation results will not be disclosed to the instructor before final grades in the course have been submitted and processed. Student names will be kept confidential, and the instructor will only see the aggregated results of the class.
