BRE Modular

The Bachelor of Religious Education Modular Program is a non-traditional program specifically designed for adults who want to complete a Bachelor of Religious Education (BRE) degree but who are unable to attend traditional semester education programs and have little or no transfer credit from previous post-secondary education.

The program allows for the completion of all requirements for a BRE degree with a focus in General Ministries and is designed to serve adults interested in studying the Bible, doctrine and ministry with the intent of becoming more effective Christians in ministry and in the workplace.

Full-time undergraduate education is made possible for adults because of the BRE Modular program's unique design. Each course consists of one four-hour evening class per week for five weeks, supplemented by 14-18 hours of guided independent study per week. This format gives essentially the same time involvement as a traditional schedule.

The program's goal is to integrate Christian faith, learning and living in a meaningful and practical way.

An important component of the BRE Modular Program is the Directed Research Project comprised of academic instruction and individual advising by a qualified professional. Students will choose from one of the following areas of interest: Educational Ministries, Intercultural Studies, Pastoral Studies or Youth Ministry.

Specific Entrance Requirements

1. Applicants must be 25 years or older.
2. Applicants must have served two or more years in a local church or para-church ministry in some lay or professional ministry.

Field Education

Six units of Field Education are required for graduation. Credit is given for proven learning outcomes through previous ministry experience.

BRE Degree Completion Program

The Degree Completion Program (DCP) is a non-traditional program specifically designed for adults who want to complete a Bachelor of Religious Education (BRE) degree but who are unable to attend traditional semester education programs.

The DCP allows for the completion of a BRE degree with a focus in General Ministries. The DCP is designed to serve adults interested in studying the Bible, doctrine and ministry with the intent of becoming more effective Christians in ministry and in the workplace.

Full-time undergraduate education is made possible for adults because of the DCP's unique design. After the student transfers 30-42 credit hours into the program, there are 16 courses offered in a modular format over a 24-month period. This format gives essentially the same time involvement as a traditional schedule.

The program's goal is to integrate Christian faith, learning and living in a meaningful and practical way.

An important component of the DCP is the Directed Research Project comprised of academic instruction and individual advising by a qualified professional. Students will choose from one of the following areas of interest: Educational Ministries, Intercultural Studies, Pastoral Studies or Youth Ministry.

The DCP program is also offered in the Mandarin Chinese language. In this specific track, each module consists of one six-hour class per week for five weeks, supplemented by 14-18 hours of independent guided study per week.
