

# Bachelor of Business Administration

Bachelor of Business Administration provides students with a recognized, professional, work-ready degree that enables them to make a positive economic, social, spiritual or environmental impact on the world. Students will be equipped to work with integrity and serve God in a wide variety of corporate roles and environments.

Students will be equipped with the knowledge and skills they need to serve in for profit, not-for-profit and entrepreneurial business contexts locally, nationally and globally whether they enter the workforce, go on to further study or seek professional accreditation.
