

Step 1: Who can apply for OSAP: Ontario Student Assistant Program?

To apply for OSAP, you must:

- Be a Canadian citizen, Permanent Resident or Protected Person (Convention Refugees)
- Be an Ontario resident (must have resided in Ontario for the last 12 consecutive months without being a full-time student at a post-secondary institution)
- Be enrolled in an approved program of study (all Tyndale degree programs are approved by OSAP)

Standard vs. Non-Standard Courses

- Standard courses have a duration of 12 weeks.
- Non-standard courses are shorter than 12 weeks in duration.

You can apply for **Full-Time** or **Part-Time** OSAP depending on your course load in the Fall and Winter semesters:

- Every 3-credit hour standard course carries a 20% course load.
- For students with a permanent disability, taking at least 2 standard courses (40% course load) per semester will be considered full-time.
- For Spring/Summer courses, please refer to the separate [OSAP Tip Sheet for Summer](#) on our website for more information.

OSAP Eligibility Form (will be available by the end of June)

- All BA/BBA/BRE students enrolled in non-standard courses must submit the **OSAP Eligibility Form** in [FLOW](#) to confirm the correct dates for your OSAP application.
- BA Psychology DCP/BRE Modular & DCP students taking fewer than 8 courses with more than a 2-week gap between courses must also submit the **OSAP Eligibility Form** in [FLOW](#).

Course load	OSAP Application	
3 standard courses (60%) or more in Fall <u>AND</u> 3 standard courses (60%) or more in Winter	Full-Time for both Fall and Winter (one application)	
3 standard courses (60%) or more in semester A & up to 2 standard courses (40%) in semester B	Full-Time for semester A	Part-Time for semester B
